

Dear Current & Future Teen Scene and Madrichim Parents.

For those students who recently graduated from our Beth Shalom Gilner Religious School, mazel tov! This is quite an accomplishment for you and your child. Now it is time to take the next step in Jewish Education and involvement!

The Gilner Religious School offers wonderful opportunities for post-b'nai mitzvah learning and involvement. We encourage all of our eighth through tenth graders to attend **Teen Scene**. This program will meet 11 times during the year on Sunday mornings from 12:00pm – 1:15pm. The students learn about a wide variety of topics tailored to the interests of the group. It has been well-received by students and parents.

In addition, we have our **madrichim** (counselors) program. Students in this program work in our school as assistants on Tuesdays, Sundays, Saturdays or a combination of all three. In eighth grade, the students work as volunteers. Starting in ninth grade, they get paid a small salary. Madrichim may work in the school through 12th grade. Every madrich or madricha in 8-10th grades must be enrolled in Teen Scene.

Below you will find the links for the registration forms for Teen Scene and the application to apply to be a madrich. Please complete the forms as soon as possible so that we may make appropriate plans for the coming school year.

I look forward to continuing to learn and grow with you and your children.
