## Erev Rosh Hashanah

### Roll Into Dark by Rabbi Noam Katz

Roll into dark. Roll into light.  
Night becomes day. Day turns to night.  
*Borei yom va-laila. Goleil or mip-nei cho-shech*  
*Goleil or mip-nei cho-shech, v'cho-shech mip-nei or*  
בורא יום ולילה גולל אור מפני חשך  
גולל אור מפני חשך וחושך מפני אור

### Return by Joe Buchanan

I will take a long look at me  
And think about what it is I see.  
Have I been good to you?  
Did I do all that I said I'd do

Remembering the words I've used,  
Thinking about the times I was rude.  
If I am thankful for this gift,  
Let me say it with deeds, not just lips.

**It's going to be a brave new year,  
Starting right now, right here.  
And I will be strong and stand up tall,  
Reach out for others when they fall.**

**And I will rejoice in my faith,  
And remember that love is why we're made.  
Be the very best that I can be,  
For the world and for me.**

Every day, we live our lives,  
Some days we let ourselves slide.  
And we forget our way,  
Thankfully it's not too late.

Avinu Malkeinu,  
Choneinu V'aneinu.  
I may have done wrong at times I know.  
But through my actions I will show.
