# 2019 HIGH HOLY DAY OPTIONS FOR *families with children*

## Evening Family Shabbat

**Erev Rosh Hashanah - 9/29 at 5:30 PM / Erev Yom Kippur - 10/8 at 5:30 PM**  
This new family service will weave together our traditional High Holy Day prayers with storytelling and music. Come prepared to sing, hum or tap your foot to both new and familiar melodies as we welcome in each holiday by reflecting on our past year in a creative and inspiring way. **(Location: KI; Led By: Rabbi Carrie Vogel and Cantorial Soloist Daniel Leanse)**

## Alternative Multi-Generational Service

**Rosh Hashanah - 9/30 at 10:30 AM / Yom Kippur - 10/9 at 10:30 AM**  
During this service, we will find new and interactive ways of engaging with our High Holy Day traditions, such as projecting the Torah on the wall so attendees can follow along, singing along with our three piece band, and "Torah Telling," where we will hear the dramatic telling of the Torah portion intertwined with chanting. This service will be a slightly condensed yet complete High Holy Day experience appropriate for families and individuals who are looking for new, relevant ways of connecting with our traditional liturgy. **(Location: KI; Led By: Rabbi Daniel Sher and Cantorial Soloist Daniel Leanse)**

## Tot Service

**Rosh Hashanah - 9/30 at 4:30 PM**  
This service, which is open to the greater community, is designed for children ages 0-TK and will be interactive, musical and spirited. **(Location: KI; Led By: Cantor Chayim Frenkel, Rabbi Daniel Sher and Cantorial Soloist Daniel Leanse)**

## Tashlich

**Rosh Hashanah - 9/30 between 5:00 PM-6:30 PM**  
Meet us at Lifeguard Station #5 (where we meet for Shabbat at the Beach) with a BYO picnic dinner. Rabbi Carrie Vogel will be on hand to help facilitate your individual experience for Tashlich. **(Location: Will Rogers Beach; Led By: Rabbi Carrie Vogel)**

## Children's Programming

Children's Programming will be available during many of the KI services. Please see the Children's Programming one-sheet for the options available for your child's age group. Due to space constraints, we are unable to provide childcare at the Westwood Village location.
