Seating Notes:

We anticipate stronger attendance this year, with seats closer together than our Shabbat layout. If you have special requests, or if there are people you would like to be seated near, please let us know in the comments.

If you will only be in shul for either Rosh Hashanah or Yom Kippur (but not both) please let us know. There are limited seats and the Minyan must use all of the available space.)

We will try our best to seat people in their makom kavuah (desired seats), but please bear with us as safety and space considerations may change the seating pattern.
