

Dear Parents,

Welcome to Pre-Registration for Har Shalom Preschool & Kindergarten's 2020-2021 school year!

Har Shalom Preschool & Kindergarten (HSPK) is proud to offer a nurturing multi-age environment (preschool, pre-k, kindergarten) in an atmosphere brimming with opportunities for hands-on learning and social/emotional growth. The Montessori Primary Classroom is an inspirational environment where children naturally learn with and from each other as they grow into thoughtful, intentional members of the school community and the larger world. Our Montessori-Inspired Children's House is arranged with care to be an inviting, enriching, non-competitive atmosphere where your child is honored as an individual by kind, respectful teachers.

HSPK provides two enrichment classes during the school week. Our music program includes a variety of music genre, creative movement, and an introduction to musical instruments in a fun-filled, age-appropriate environment. Our Yoga program strengthens muscles and introduces inner peace using exceptional literature as the children happily learn the Yoga poses.

HSPK is committed to good health and nutrition. The children enjoy outdoor, active play on our natural playground in the morning and in the afternoon. Each year, a variety of fruits and vegetables are planted in our outdoor classroom and play area gardens. The children care for and harvest chemical-free food to use for nutritious baking and/or raw organic snacks.

As a non-profit school, Har Shalom relies solely on tuition to fund our high quality programming. The commitment to provide a joyful, solid first learning experience and a strong foundation for your child as they enter their elementary years is a paramount priority. Tuition rates and fees for our 2020-2021 school year have been carefully vetted. There will not be an increase in Tuition or Fees for the 2020-2021 school year.

For ease of payment, tuition has been structured and divided into a 10-month pay period August-May.
