

2021 SUMMER CAMP

Session 1: June 1–June 18

We are different. We are the same. We are special.

Be a friend... be a citizen... what does it mean? Children will learn about themselves and their friends. We will explore feelings and how we treat ourselves, family and friends. Activities will focus on treating others with respect and how we can confirm and elevate differences. Children will have the opportunity to share and speak about themselves and their families.

Session 2: June 21–July 9 (Closed, Monday July 5th - July 4th holiday)

Animals

Animal friends add so much to our homes, our communities and our lives! Join us as we explore different animals, what they need to live happy, healthy lives and how we can aid in their well-being. Children will use loose parts to investigate and recreate how their animal friends live in their natural habitats as well as how to best care for the earth, their habitat resource.

Session 3: July 12–July 30

I Grow. You Grow. Our Garden Grows!

Our will focus on our garden and things that grow! Children will have the opportunity to prepare, plant, work with, and harvest different plants in our outdoor garden beds, and our playground teaching garden. Each class will contribute toward a hydroponic and indoor garden where they will care for, observe and document the lifecycle of various plants.

2021 SUMMER CAMP WEEKLY TUITION
