

## Release Form

As you may know, when possible, we try very hard at Rodef Shalom to document our congregational activities and celebrations through photographs. We feel it is a warm and wonderful way to preserve our traditions and congregational history. At the same time, we are aware of others' sensitivities to the public use of these pictures. We strive to be very conscientious about how, when and where we do post pictures, and would never identify anyone by name, without explicit permission, outside of Rodef Shalom. If you have not already done so, please take a moment to complete our Media Release Form and return it as soon as possible to the synagogue office.

If you feel strongly about this issue and would prefer to NOT approve the use of your likeness in any specific medium, please call us to let us know - or, better yet, drop us a line or email. If you would like to discuss this further, please feel free to contact us! Thank you!

I/We (includes all family members) grant Congregation Rodef Shalom the right to publish visual materials that may pertain to me/us (includes all family members) for the purpose of marketing/promoting Congregation Rodef Shalom and its programs, schools, events, educational workshops, committee activities, newsletters, or other pertinent activities. It is understood that any such materials (video, web, print, and any other media) will be used with the highest integrity and discretion, with the intent to communicate responsibly and ethically, the subject matter contained therein.
