I hereby request an employee of Becker School to apply the products indicated (which I will supply) to the above-mentioned child. I understand that Becker School follows the National Health & Safety Performance Standard recommendations for these products. **Sunscreen** should have a UVA/UVB protection of at least 15 SPF. **Insect repellent** should have at least 10% DEET but no more than 30% DEET. Non-DEET products are acceptable provided they are approved for use in the child's age range. Both products must be in their original container and labeled with my child's name. By signing below, I release Becker Early Childhood Center and its employees from all liability for reactions which my child may suffer from the product(s) I am requesting to be applied.
