WEDDINGS

WELCOME TO TEMPLE ISRAEL

Weddings are about stories. The best stories evolve.

That's what you're planning right now, the next evolution of your story. How family histories and backstories, from day you met, to that awkward (or completely smooth!) first date, to coming to the decision to join your families as one.

This day is all about you as a couple, your story will evolve each day going forward, and at the same time there will be a moment frozen in time, when you said, "I do," that will forever stick with you.

It's all about you, and we'd love to be part of that moment. We'd love to be the setting you think back on, when years from now, you think, "remember when...". Whether it's in our outdoor pavilion or inside our sanctuary, we know that we can deliver the setting for the next step of an important story.

Thank you for considering Temple Israel for this moment, and please don't hesitate to ask us how we can help with any planning.

Congratulations,

SANCTUARY SCREEN GUIDELINES

Suggested guidelines for selecting wedding photos for the sanctuary screens
You may adorn our sanctuary with your own romantic photos on our sanctuary screens during your wedding

1. Photos–

If you would like to use a photo of your own or your already created wedding logo, it must be following the formatting listed below. Think of this photo as the artwork adorning the sanctuary during your sacred ceremony. Thus, the photo should be romantic and beautiful. Although we often employ humor in our weddings, this is not the best spot for comic photos or anything that would draw attention away from the wedding couple. Since we are in a sanctuary, many would prefer not to feature photos that focus on the human face, so portraits may not be the best choice for this application. That said, romantic photos of the couple holding hands in the distance or getting engaged often work beautifully as do pictures of the couple's favorite romantic landscape.

Screen Resolution:

1280x720(HD)

1920x1080 (FHD)

2560x1440

3840x2160 (4K)

7860 x 4320 (8K)

2. Or choose from any of the following photos which we provide at no charge

A) Chuppah

B) Chuppah Sunset

C) Siddur Ring

D) Ketubah Rings

E) Rose Pattern

F) Lace Pattern

G) Bouquet Pattern

H) Personal Graphic
