# Enrichment Program

Enrichment programs have been developed with both parents and children in mind. Children who are enrolled in the ECC may participate in the enrichment programs on the days they attend. We offer our parents extended school hours by providing challenging and exciting enrichments classes. Teachers who have a talent or expertise in a specific area have been recruited to provide an age-appropriate hands-on approach to this curriculum. Enrollment is based on first come - first served.

All classes are subject to change based on enrollment needs. Classes are listed with the appropriate coordinating Preschool Program (i.e. 2's, 3's or 4's) Monday - Friday 12:30-2:30 pm
