To: Temple Israel Families,

Johnny Pomodoro's Fresh Market on the corner of 14 Mile and Middlebelt in Farmington Hills has a Loyalty Card Program. This program awards points to our guests for every dollar they spend in the store. After \$400 is reached, guests will automatically receive \$6 off their purchases.

An additional component of this program is our organizational discount. When you indicate Temple Israel on your Loyalty Card application, Temple Israel receives 5% back on purchases made on Wednesdays and Thursdays. Your organization will be issued a check yearly.

If you are already a Loyalty Card member, just notify us at your next visit and we will add the organizational discount for Temple Israel to your card.

There are no fees or need to prepay a script card. Your organization gets rewarded every time you shop with us on Wednesdays and Thursdays. It's just that easy to earn money for your organization!

We look forward to seeing everyone soon at Johnny Pomodoro's Fresh Market!
