PLAY THE 3RD GRADE **BINGO BONANZA**

All 3rd Grade students are encouraged to play the **3RD GRADE BINGO BONANZA** by reading at least **5** Jewish books during the school year and completing a **BINGO** card. Your teacher will keep your **BINGO** card at school, however, you can also keep track of your progress at home. Here's how to play:

1. Read a Jewish book from your home library or from the Hodari Family Children's Library that fits into one of the 25 **BINGO** squares. The Library is open before and after Religious School for students to check out books for **BINGO**. Books will also be available on Sunday mornings at Conant before and after Religious School for check-out.
2. Bring the book and signed slip to school and ask your teacher for a **BINGO** sticker. Place the sticker in the appropriate **BINGO** square. Write the title of the book and the date read on your book list.
3. To win, collect **5 BINGO** stickers in a row—horizontal, vertical, or diagonal. Make sure your book list is complete. Make sure your teacher has your completed **BINGO** card.
4. All 3rd Graders who read at least **5** books for **BINGO** by **April 19, 2020** will receive a prize. Bonus prizes will also be awarded to students who read more than 5 books.
5. Each 3rd Grade Class that has 100% participation will receive a special class prize. So, encourage all your classmates to read Jewish books too!

If you have any questions, contact your teacher, or Lauren Marcus Johnson, Director, Temple Israel Libraries, at 248/661-5700 or ljohnson@temple-israel.org.
