"NOW THERE'S A NEW KIND OF ANTISEMITISM DISGUISED AS ANTI-ZIONISM, WHERE CRITICISM OF THE STATE OF ISRAEL HAS BECOME A FORM OF DISCRIMINATION AGAINST JEWS"

-JOE BIGELMAN, YOM KIPPUR 5782

(To hear his message, go to the TempleIsraelMI page on YouTube)

We've never written a joint Messenger article before, but we feel so strongly about Israel, antisemitism and BDS, that we want you to hear from both of us at the same time. We love Israel! But, we've noticed

that things are changing where Israel is concerned, and based on our own experiences and the reality of our day, we wondered if you've been experiencing what we have. Have you ever been confronted with antisemitism or anti-Zionism and didn't know how to respond? Have you ever been in a conversation about Israel with a friend or colleague, and just didn't know what to say? If your answer is yes, you're right there with us. Sometimes we freeze in the moment. Other times, we are scared to say something because we don't know where the conversation will go, and sometimes, we simply do not have the background to speak strongly or confidently with facts and history.

At Temple Israel, we want to change this. Israel is the heart of who we are—we are Temple ISRAEL after all! So we have formed **TI4ISRAEL** (that's text talk for "Temple Israel for Israel") with the mission of celebrating the Israel in Temple Israel, and engaging our congregation through Israel education and programming.

As Jews, we walk a fine line between celebrations and challenges, and Israel is the perfect example of how that happens. Celebrating and supporting Israel as our Jewish homeland is part of our DNA, but we simultaneously recognize that there is no singular method or perspective when it comes to the Jewish state. It varies from Jew to Jew, rabbi to rabbi. What we do know is that antisemitism is on the rise, and that criticism of the State of Israel has become a form of discrimination against Jews. Different from debating governmental policy, calling Israel an apartheid state, advocating for BDS, and holding Israel to a different standard than other countries, all aim at discrediting Israel's very right to exist. It is time to counter the antisemitic rhetoric that is disguised as anti-Zionist talk.

We intend to do this through education, starting with classes, book discussions and speakers. Look to the next page for information on a new course called Israel at the Crossroads, where we will examine how Israel intersects with a variety of themes. The first session will appropriately be called: Israel at the Crossroads of antisemitism and will focus on antisemitism on campus, teaching our teens and college students how to confront anti-Israel sentiment.

There will also be book discussions with our clergy and Israel professionals, including Yiftah Leket, our community shaliach (emissary), and Daniel Aschheim, the Consul for Public Diplomacy from the Israeli Consulate, based on Noa Tishby's book, *Israel: A Simple Guide to the Most Misunderstood Country on Earth*. Please take some time to read it. It is straightforward, easy to read and about as non-political as a book on Israel can be. It gives the facts in a fun way, while providing a foundation so that we can engage in educated conversations and don't find ourselves in those situations that are all too common these days. We've also heard that listening to the audiobook, with Noa herself as the reader, is a great way to read it.

And speaking of Noa, mark your calendars for May 16th when we are bringing her to Temple Israel. Like the book, Noa is straightforward, engaging and doesn't pull any punches. She gets right to the heart of it, and we know that no matter where you stand on Israel, you are going to love her!

Please join us on this educational journey to celebrate and support Israel, and you never know, it might even inspire you to join us on one of our Temple Israel missions this coming year.

NEWMAN FAMILY FUND FOR LIBRARY PROGRAMS & RESOURCES

SPONSORS ADULT AND CHILDREN'S BOOK CLUBS, NURSERY SCHOOL STORY HOURS, AND A JEWISH BOOK FAIR.

In 2012, Dr. Steven & Kathleen Newman established the Newman Family Fund for Library Programs & Resources to sponsor adult and children's book clubs, nursery school story hours, and a Jewish book fair. Since its establishment, the Newman fund has sponsored many book club gatherings where members enjoy discussing a variety of books. Our young congregants have also benefited from the generosity of the Newman Fund. Our youngest members in the Early Childhood Center enjoy story-time programs, and our grade school aged children came together for "Pizza & Pages." Recently, we have also been able to offer virtual educational programs to expand the outreach of the Newman Fund. We are very grateful for the creation of this fund and the impact it continues to have on our entire community.

DR. ROSE MALACH SEXTON MEMORIAL FUND

PROVIDES A SCHOLARSHIP TO A TEMPLE ISRAEL STUDENT FOR TRAVEL TO ISRAEL.

Established in 1988 by Partrick Sexton and Shirley Malach Bockoff, the Dr. Rose Malach Sexton Memorial Fund was created to provide a scholarship to a Temple Israel student for travel to Israel. As part of Temple's mission, we continue to sustain a strong connection with Israel, and what better way than sending our youth to experience Israel first-hand? Through Teen Mission, teens are exposed to their Jewish heritage, form life-long friendships and create memories that last a lifetime. The impact this fund has on those who experience a trip to Israel is profound and we are very grateful to provide the opportunity for our teens to have this life-changing experience. We are thrilled to offer the next Teen Mission to Israel in the summer of 2022.
