CBY MENS CLUB:

This year's IDF/CBY Men's Club Kiddush will take place next Shabbat, May 13, 2017. The Kiddush will honor all of our children & grandchildren who have served in Tzahal in the past & who are currently on active duty. We also memorialize & remember our very own Ilan Tokayer, a"h, who served valiantly in an IDF combat unit from 2005-2006. Funds collected will be allocated to five very worthy organizations: Yashar LaChayal, Beit Halochem, Bishvil Hamachar, Friends of the IDF, & Michael Levin Lone Soldier Center. We have two critical goals. First is to raise as much money as possible for the soldiers. Second, & no less important, is to demonstrate achdut with our brothers & sisters in Israel by having 100% of the membership participate. Therefore, please give as generously as you can. In this way, the Bnai Yeshurun family can stand as one in stating clearly & loudly that we are with our brave men & women on the battlefield, b'chol makom sh'hem.

Congregation Rinat Yisrael, Sunday, May 7th, 8pm. Are American Jews their Own Worst Enemies? A lecture and conversation with Prof. Ruth Wisse. The ascendancy of Donald Trump and his unanticipated election as President shook up American politics and its Jews, who have a special stake in American politics. In addition to their individual interests as citizens and their concerns as part of a religious and ethnic community, Jews are also responsible for the fate of the Jewish homeland, target of the world's most lopsided war in history. In each of these areas, the upheaval presents both opportunities and dangers, but requires

knowing how to distinguish one from the other. That will be our task.
