A loving mother, grandmother and educator she was also active in our forty-year synagogue membership. She now needs help. She is working with Renewal, a remarkable non-profit organization that matches potential kidney donors and recipients. They have found an E-mail campaign to be an effective technique, and that it's best to cast as wide a net as possible. So, I'm sending each of you this message in the hope that you may know of someone who is able and willing to do the incredible mitzvah of donating a kidney and saving a life. There are many that have donated a kidney and their health after is fine. To learn how you can save a life or for more information about Kidney donation, please call 718-431-9831 ext. 209. Or e-mail R23580@renewal.com. Inquiries should be made for Eileen Steinman or case #R23580. All inquiries to Renewal are strictly confidential and are without obligation. They can also put you in touch with others who have donated a kidney and are willing to share their experience. All medical costs for evaluation and surgery are covered by the recipient's insurance. Ancillary costs such as travel expenses and lodging, are covered by Renewal. Please send this post to anyone you know and who maybe on your e-mail list. You never know whether or not there is someone who will respond to this urgent need.
