## Rabbinic Probah Candidates Announced

Earlier this week the Board of Directors and Rabbinic Search Committee shared with the membership an update on the Rabbinic Search Process regarding the final and most critical phase in choosing our next Mara D'atra.

At the Board meeting on February 18th, three candidates were unanimously approved to be presented to the congregation. They are (in alphabetical order):

**Rabbi Zev Goldberg, Senior Rabbi, Young Israel of Fort Lee (Fort Lee, NJ)**

**Rabbi Aaron Leibtag, Senior Rabbi, Congregation Kehillath Jacob Beth Samuel (KJBS) (Chicago, IL)**

**Rabbi Zev Spitz, Associate Rabbi, Beth Avraham Yoseph of Toronto (BAYT) (Toronto, Ontario, CA)**

For more detailed information on our exceptional candidates, as well as the schedules for their respective Probahs, please see the Rabbinic Probah Shabbatot brochure available in the shul or on the Rabbinic Transition page of the CBY website.

Each of these candidates will visit our community for an entire dedicated Shabbat, during which members will hear him speak in various formal and informal settings and will have opportunities to personally meet the Rabbi and Rebbetzin. The Probahs are designed to allow members to observe the candidates' skill sets and learn their views on a wide variety of issues.

### Continued from page 1

Specifically, each candidate will deliver brief remarks at Kabbalat Shabbat, speak at an oneg Friday night, address multiple minyanim throughout shabbat morning, deliver a shiur between mincha and maariv, spend time with the teens as well as the children at our Manny Freed z"l Parent Child Learning, participate in a Q&A session on Motzai Shabbat, and deliver the daf yomi shiur on Sunday morning. In addition, there will be opportunities to informally interact with the candidates and their wives, at the Friday night oneg, the Men's Club Kiddush, and at the light collation following the Motzai Shabbat Q&A.

Members are invited to anonymously submit questions in advance that they would like to see included in the Q&A at [www.bnaiyeshurun.org/rabbinic-probah-qa.html](http://www.bnaiyeshurun.org/rabbinic-probah-qa.html).

Members are encouraged to submit multiple questions as they would wish - there is no limit. In order to ensure that the session runs in a streamlined and efficient manner, questions of similar themes and content may be consolidated. For those same reasons, spontaneous questions from the floor will unfortunately not be entertained; however, there will be a collation following the Q&A in the Social Hall, where attendees will have ample opportunity to ask the candidates any follow-up questions. Members who are unable to attend the Q&A session in person are invited to join via livestream available at [www.bnaiyeshurun.org/rabbinic-transition.html](http://www.bnaiyeshurun.org/rabbinic-transition.html), when logged into their online CBY account. For assistance in learning how to log into your account in advance of the livestream, please contact the shul office.

The Board of Directors encourage all members to attend as many of the events associated with these weekends as possible. We hope and pray that this exciting chapter in CBY's history will be a unifying and uplifting experience for all as we welcome three exceptional Torah scholars to our shul.

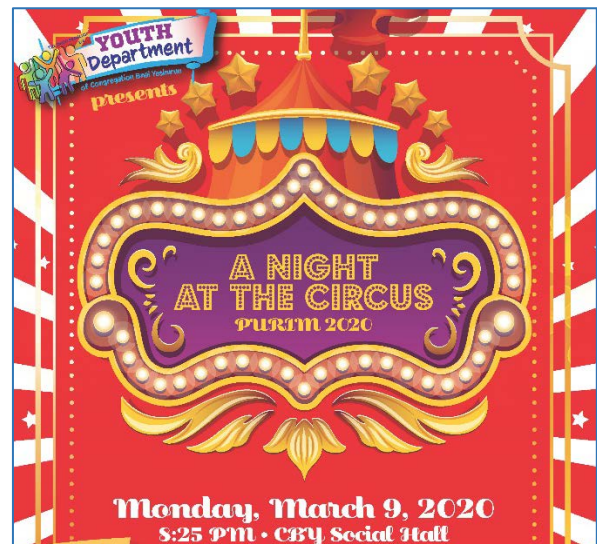

### Rabbinic Tribute Committee Call to Action:

### Community Announcements

- As everyone knows, it is vital that we all participate in the political process to make our community's voices heard by our elected officials. It has never been easier to register to vote, & for those so inclined, you can even choose to vote by mail-in ballot & never again have to vote in person. The short Voter Registration Form is available in the shul office or at <https://www.state.nj.us/state/elections/voter-registration.shtml>. Lastly, please remember that this includes all voting-age children, even if they are away at school.
- There has been a dramatic rise in antisemitism; NJ has among the highest number of incidents in any state in the country. Our schools, synagogues & other communal institutions remain highly vulnerable. Teach NJ, a part of the OU, is the leading organization that advocates for government funds for day schools. We are requesting a federal security grant increase from \$90 million to \$360 million, a state level grant increase from \$2 million to \$10 million, & that every school receive \$250 in security funds per student (up from \$150). This is an issue that affects the entire community & it requires the entire community to make a difference. It is incumbent upon every individual to work together to make sure that these security bills get passed. We can only ensure that these security measures get passed if we flood our government leadership with communications. Please contact NJ leadership immediately at <https://teachcoalition.org/nj/take-action/143/>.
- The polls are open! The voting period for the World Zionist Congress Election has begun! From January 21-March 11 Go to [www.zionistelection.com](http://www.zionistelection.com). Make your voice heard. This election will determine the allocation of approximately one billion dollars in funding over the next several years. This money can be used to promote strong Torah & Zionist values, & love of the people & land of Israel - or not. Allocation is based on the percentage of delegates that each slate wins. The more votes for Torah & religious Zionist delegates, the more money for institutions that further those values. Rabbi & Karen Pruzansky are delegates on slate #1, Eretz Hakodesh. There are two other slates that would also further our values. Slate #4, the Orthodox Israel Coalition, & slate #11, the ZOA Coalition. Every Jew over the age of 18 is eligible to vote.
