New CBY Tehillim Opportunity - A WhatsApp Group has been created dedicated to a refua shleima for all the cholim from our Shul and community (and of course all of Klal Yisrael). To join, click [HERE](#).

Once joined, it works as follows: just type in the number of the next tehillim that you will say immediately. You can sign up for a few in a row, but no need to get carried away as there's always the next person right behind you to say the next one.

Ideally, all comments should be kept to a bare minimum to ensure this is really about the tehillim.

Tizku L'Mitzvot and may all our cholim have a speedy refua shleima, be"n.

#### **Pesach Guideline from Rabbi Pruzansky**

##### Last Days

We do **not** recite She'hechyanu when lighting candles. The davening procedures are the same, with the different Torah and haftara readings. Half Hallel is recited.

##### Acharon shel Pesach

We do not recite She'hechyanu when lighting candles. **Yizkor** can be recited without a minyan. Certainly, pledge money to tzedaka in memory of the loved one being commemorated. Keep in mind the CBY Yizkor Fund!

Havdala only includes two brachot: Hagefen and hamavdil. Wait until 8:50 pm before using any sold chametz.

**Information on where chametz can be purchased after Pesach will be forthcoming immediately after Pesach. Check your inbox.**

### Community Announcements

- As everyone knows, it is vital that we all participate in the political process to make our community's voices heard by our elected officials. It has never been easier to register to vote, & for those so inclined, you can even choose to vote by mail-in ballot. The short Voter Registration Form is available in the shul office or at [www.state.nj.us/state/elections/voter-registration.shtml](http://www.state.nj.us/state/elections/voter-registration.shtml). Lastly, please remember that this includes all voting-age children, even if they are away at school.
- Despite COVID-19, everyone should know they can still vote. These next few months are going to be a challenge. Voting should never be a challenge or an issue. Despite COVID-19, our democracy still needs all of us. I'm relying on you to be an active part of this campaign. The best way to protect your access to the ballot box: become an absentee voter before the May 26th deadline. It's fast, easy, and guarantees that your vote will be counted.
- There has been a dramatic rise in antisemitism; NJ has among the highest number of incidents in any state in the country. Our schools, synagogues & other communal institutions remain highly vulnerable. Teach NJ, a part of the OU, advocates for government funds for day schools. We are requesting a federal security grant increase from \$90 million to \$360 million, a state level grant increase from \$2 million to \$10 million, & that every school receive \$250 in security funds per student (up from \$150). This is an issue that requires the entire community to make a difference. We must work together to make sure that these security bills get passed. We can only ensure that these security measures get passed if we flood our government leadership with communications. Please contact NJ leadership immediately at <https://teachcoalition.org/nj/take-action/143/>.
- COVID-19 has effected every aspect of life as we know it. We are here as a resource for you during these trying times! CareOne at Teaneck is offering our services to you. We will gladly deliver glatt kosher, Cholov Yisroel and Pas Yisroel meals to all seniors who need. If plans change or aids cancel for Passover (and now) we have respite service available for you.
- <https://kosher19.com/-Help> Jewish healthcare workers and their colleagues get Kosher food delivered during the Coronavirus. Your generous contributions are spent directly on food deliveries to hospitals in the hardest hit areas of the country right now. Many Jewish kosher-keeping doctors, nurses, etc., who are working can't eat from the generously donated food that others can. Thousands of dollars have already been raised, and many food shipments have already been sent to our heroes. Please give generously.
- Sol Rosenberg** is offering remote IT help to our members, gratis, to anyone, particularly our older members who aren't computer savvy, who have issues with their Windows PC, Zoom, Webcam, Audio, or WiFi/Internet performance issues that prevents them from staying connected with family. Contact Sol via email or phone at: [sol.rosenberg@ieee.org](mailto:sol.rosenberg@ieee.org) or 914-810-8817 voice menu option 1.
- Magical Memories Entertainment is a company that provides live entertainment for private events. Since all events have been canceled we wanted to do something to still keep our community entertained during these difficult times. We are offering free live steaming shows. Sunday 4/19: Erik will be performing an animal friends show. Go to: [www.facebook.com/MagicalMemoriesEntertainment/events/](http://www.facebook.com/MagicalMemoriesEntertainment/events/). Call us at 914 548 2048 or go online at [www.MME123.com](http://www.MME123.com)
- For information about a variety of online events and activities taking place this week and next, please visit [www.VirtualPesach2020.com](http://www.VirtualPesach2020.com). Packed with Pesach related coloring pages, puzzles, activities, seder table ideas, and tons of live events. Brought to you by our own members Aryeh (18), Netanel (12), Gavriel (10), and Liat (7) Katz!
- Holy Name Medical Center specifically reached out, asking for our help to make this request of the greater community. Let's help our local hospital get the critical supplies that it needs to continue to provide us with exemplary care. At the epicenter of the pandemic in New Jersey, Holy Name Medical Center is playing a critical role in the fight against COVID-19. We are working round-the-clock caring for patients and modifying medical units with new construction. But as we strive to meet the demand of new patients and those who are seriously ill with the virus, our supplies of masks, gowns and other protective gear for our healthcare workers is rapidly decreasing. There is a shortage of critical ventilators to save our most critical patients. The costs of these supplies are also rising rapidly. Your donation of any amount will help us obtain essential supplies and equipment needed to keep our staff healthy and able to provide the care on which so many are relying during this challenging time. - We hope everyone is staying inside and staying healthy. As you can imagine the Teaneck Volunteer Ambulance has been extremely busy with the large amount of COVID19 patients in our community. We are hoping you can help us by going to our website at: [www.teaneckambulance.org/covid19.html](http://www.teaneckambulance.org/covid19.html). Thank you and stay healthy
- On Monday, April 20th at 7:00 pm, the Teaneck Holocaust Commemoration program of the Jewish Community Council of Greater Teaneck will recognize Yom Hashoah - Holocaust Remembrance Day - via a town-wide conference call. The dial in number is (563) 999-1684. The Yom Hashoah program will serve to honor the memory of the 6 Million Jews murdered by the Nazis and their collaborators during the Shoah (1939-1945) and recognize Survivors living in the greater Teaneck community. The call will last approximately 35 minutes. The Teaneck Holocaust Commemoration Committee thanks Deputy Mayor Elie Katz who provided us with this opportunity to use his dedicated 'call-in' line and make this program available to the greater community.
