Rabbi Meir says: A person is obligated to say 100 Brachot everyday.

As the verse says, "And now, what is it that Hashem your G-d asks of you?" Don't read it "what", rather 100 "בְּרוֹחַ".

ברכות Matching Game!

Created by Dovi Grosser, Congregation Shomrei Torah

As part of week 2 of our Brachot Campaign, we present to you the Brachot Picture Game!

Before starting the game, print out all of the sheets. Ask your parents to help you cut out all of the PICTURE CARDS, but DO NOT cut the Brachot boxes! Also, be VERY careful not to lose the arrangement of the pictures, as they correspond to the Brachot in the same spot of the Brachot board.

After the pictures are all cut out, have someone who is not playing place all of the pictures on top of the corresponding Bracha. Don't peek at the Bracha!

Each picture sheet goes together with the Bracha board right after it. Pages 1 to 1, 2 to 2 and 3 to 3.

The Rules are simple:

Each person takes a turn choosing any picture from any of the 3 boards. They then need to guess the Bracha that corresponds with that picture. If they are correct, they can keep the picture and the amount of points that go with it. (Points are mentioned below.)

If they are incorrect, place those pictures in a pile on the side. Those may not be used again.

Board 1, each correct answer is worth 1 point.

Board 2, each correct answer is worth 3 points.

Board 3, each correct answer is worth 6 points.

(For board 3, you need to guess what the bracha is based on the picture clue provided! But be prepared, board 3 is VERY hard!)

When all of the pictures are cleared, the one with the most points win!
