

# GUIDE

## For families applying to Jewish Primary Schools for entry in 2024

### Welcome to New North London Synagogue!

We are very proud of our lively and friendly community.

Perhaps you are here because you want your child to go to a Jewish school and the admissions process requires you to attend a synagogue.

As well as Shabbat morning services we run dedicated Family-Friendly Friday nights, Sing In Shabbats, and other Shabbat activities throughout the year. There are services and get-togethers for each of the festivals too.

If you need confirmation from us attesting to your shul attendance, please collect a docket each time you come to a qualifying event. With so many opportunities (not just services) coming up over the next few months, we encourage you to spread your attendance over a variety of events.

Please see the calendar further down so you can plan your visits...

We look forward to getting to know you.

# FOR A GREAT SHABBAT MORNING EXPERIENCE AT NNLS...

Try one of our children's services, which run between 11.00AM – 12.00PM on Shabbat morning. If you have more than one child you might want to split up for part of the time:

- our Toddler's Service is for **Pre-schoolers** and is held in the **Akiva School Hall**
- a children's service for **Reception to Year 2** is in **Gan Alon**
- a children's service for **Years 3 to 5** is upstairs in our **Youth Room**

Support the service by listening, participating, and singing along wherever you can.

Consider attending an adult service. You are welcome to any of our services. Assif and Hakol Olin have mixed seating so you can sit together as a family, if that feels more comfortable for you.

Get a **docket** from the children's service leader at the end of the service or from greeters and Shammashim inside adult services.

Kiddush starts around 12.00PM every week (and there is usually more than one!) so take your pick and stick around...

We welcome everyone to our services. If you are a family with more than one adult and more than one child do consider attending different services according to age/inclination. We will all meet up for kiddush afterwards. Dockets are available at all services.
