A  
 25 years and my life is still  
 Bm D  
 Trying' to get up that great big hill of hope  
 A  
 For a destination  
 A  
 I realised quickly when I knew I should  
 Bm D  
 That the world was made up of this brotherhood of Man  
 A  
 For whatever that means

Pre-Chorus:

And so I cry sometimes when I'm lying in bed  
 Just to get it all out, what's in my head  
 And I, I am feeling, a little peculiar  
 And so I wake in the morning and I step outside  
 And I take a deep breath and I get real high  
 And I, scream from the top of my lungs,  
 "What's going on?"

Chorus:

And I say, "Hey yeah yeah hey, hey yeah yeah"  
 I said "Hey! What's going' on?"  
 And I say, "Hey yeah yeah hey, hey yeah yeah"  
 I said "Hey! What's going' on?"

And I try, oh my God do I try  
 I try all the time  
 In this institution  
 And I pray, oh my God do I pray  
 I pray every single day, for a revolution

[Pre Chorus]

[Chorus] x2

25 years and my life and still  
 Trying' to get up that great big hill of hope  
 For a destination

**The Animals – House of the Rising Sun**

Am C D F  
 There is a house in New Orleans,  
 Am C E7  
 They call the "Rising Sun",  
 Am C D F  
 It's been the ruin of many a poor boy,  
 Am E Am E7  
 And God, I know, I'm one.

My mother was a tailor  
 She sewed my new blue jeans  
 My father was a gambling man  
 Down in New Orleans

Now the only thing a gambler needs  
 Is a suitcase and trunk  
 And the only time he's satisfied  
 Is when he's on the drunk

Oh mother tell your children  
 Not to do what I have done  
 Spend your lives in sin and misery  
 In the House of the Rising Sun

Well, I got one foot on the platform  
 The other foot on the train  
 I'm going back to New Orleans  
 To wear that ball and chain

Well, there is a house in New Orleans  
 They call the Rising Sun  
 And it's been the ruin of many a poor  
 boy  
 And God I know I'm one

**Bob Dylan - All Along the Watchtower**

Am                    G                    F  
 There must be some way out of here  
 Said the joker to the thief  
 There's too much confusion  
 I can't get no relief  
 Businessmen, they drink my wine  
 Ploughmen dig my earth  
 None of them along the line  
 Know what any of it is worth

No reason to get excited  
 The thief, he kindly spoke  
 There are many here among us  
 Who feel that life is but a joke  
 But you and I, we've been through that  
 And this is not our fate  
 So let us not talk falsely now  
 The hour is getting late

All along the watchtower  
 Princes kept the view  
 While all the women came and went  
 Barefoot servants, too  
 Outside in the distance  
 A wildcat did growl  
 Two riders were approaching  
 The wind began to howl

**Bob Dylan – Blowing in the Wind**Capo 2<sup>nd</sup> fret

C F G C F C  
 How many roads must a man walk down before you call him a man?  
 C F G C F G  
 How many seas must a white dove sail before she can sleep in the sand?  
 C F G C F C  
 How many times must the cannon balls fly before they are forever banned?  
 F G C F  
 The answer my friend, is blowing in the wind.  
 G C  
 The answer is blowing in the wind.

How many years can a mountain exist before it's washed to the sea?  
 How many years can some people exist before they're allowed to be free?  
 How many times can a man turn his head and pretend that he just doesn't see?

The answer, my friend, is blowing in the wind,  
 The answer is blowing in the wind

How many times must a man look up before he can see the sky?  
 How many ears must one man have before he can hear people cry?  
 How many deaths will it take till he knows that too many people have died?  
 The answer, my friend, is blowing in the wind,  
 The answer is blowing in the wind.

Aww, You've gone to the finest school all right, Miss Lonely  
 But you know you only used to get juiced in it  
 Nobody has ever taught you how to live on the street  
 And now you're gonna have to get used to it  
 You said you'd never compromise  
 With the mystery tramp, but now you realize  
 He's not selling any alibis  
 As you stare into the vacuum of his eyes  
 And say do you want to make a deal?

[Chorus]

Aww, You never turned around to see the frowns  
 On the jugglers and the clowns when they all did tricks for you  
 You never understood that it ain't no good  
 You shouldn't let other people get your kicks for you  
 You used to ride on the chrome horse with your diplomat  
 Who carried on his shoulder a Siamese cat  
 Ain't it hard when you discover that  
 He really wasn't where it's at  
 After he took from you everything he could steal.

In this great future, you can't forget your past;

So dry your tears, I say.

[Chorus]

So I've got to push on through.

But while I'm gone, I mean:

I went down to the sacred store where I'd heard the music years before,  
 But the man there said the music wouldn't play.

And in the streets: the children screamed, the lovers cried, and the poets dreamed.

But not a word was spoken; the church bells all were broken.

And the three men I admire most: The father, son, and the holy ghost,  
 They caught the last train for the coast the day the music died. [Chorus] x2

 On a dark desert highway, cool wind in my hair

 Warm smell of colitas, rising up through the air

 My head grew heavy and my sight grew dim, I had to stop for the night

There she stood in the doorway; I heard the mission bell  
 And I was thinking to myself, this could be heaven or this could be hell  
 Then she lit up a candle and she showed me the way  
 There were voices down the corridor; I thought I heard them say...

 Any time of year, you can find it here

Her mind is tiffany-twisted, she got the Mercedes bends  
 She got a lot of pretty, pretty boys, that she calls friends  
 How they dance in the courtyard, sweet summer sweat.  
 Some dance to remember, some dance to forget

So I called up the captain, "please bring me my wine"  
 He said, we haven't had that spirit here since nineteen sixty nine  
 And still those voices are calling from far away,  
 Wake you up in the middle of the night just to hear them say...

Welcome to the hotel California  
 Such a lovely place, such a lovely face  
 They living it up at the hotel California  
 What a nice surprise, bring your alibis

Mirrors on the ceiling, the pink champagne on ice  
 And she said we are all just prisoners here, of our own device  
 And in the master's chambers, they gathered for the feast  
 The stab it with their steely knives, but they just cant kill the beast

Last thing I remember, I was running for the door  
 I had to find the passage back to the place I was before  
 "Relax," said the night man, "we are programmed to receive.  
 "You can checkout any time you like, but you can never leave!"

 No song that I could sing but I can try for your heart,  
 Our dreams, and they are made out of real things  
 Like a shoebox of photographs with sepia-toned loving  
 Love is the answer at least for most of the questions in my heart, like  
 Why are we here? And where do we go? And how come it's so hard?  
 It's not always easy and sometimes life can be deceiving  
 I'll tell you one thing, it's always better when we're together

Chorus:

 But I know that they'll be gone when the morning light sings  
 And brings new things. For tomorrow night you see  
 That they'll be gone too, too many things I have to do  
 But if all of these dreams might find their way into my day to day scene  
 I'd be under the impression was somewhere in between  
 With only two, just me and you, not so many things we got to do  
 Or places we got to be we'll sit beneath the mango tree, now,

Well baby I've been here before  
 I've seen this room and I've walked this floor

 And remember when I moved in you?  
 And the holy dove was moving too  
 And every breath we drew was Hallelujah  
 Hallelujah, Hallelujah, Hallelujah, Hallelujah

Well maybe there's a God above  
 But all I've ever learned from love  
 Was how to shoot somebody who out drew you

Hey there Delilah, Don't you worry about the distance,  
 I'm right there if you get lonely, Give this song another listen,  
 Close your eyes, Listen to my voice it's my disguise, I'm by your side.

Hey there Delilah, I know times are getting hard,  
 But just believe me girl some day, I'll pay the bills with this guitar,  
 We'll have it good, We'll have the life we knew we would, my word is good.

Hey there Delilah, I've got so much left to say,  
 If every simple song I wrote to you, Would take your breath away,  
 I'd write it all, Even more in love with me you'd fall, we'd have it all.

 Two more years and you'll be done with school, and I'll be making history,  
 Like I do, You'll know it's all because of you,  
 We can do whatever we want to,  
 Hey there Delilah here's to you, this one's for you.

 For one more forgotten hero and a world that doesn't care

Hello darkness, my old friend,  
Am  
I've come to talk with you again,

F C  
Left its seeds while I was sleeping,  
F C  
And the vision that was planted in my brain  
Am  
Still remains  
G Am  
Within the sound of silence.

In restless dreams I walked alone  
Narrow streets of cobblestone,  
'Neath the halo of a street lamp,  
I turned my collar to the cold and damp  
When my eyes were stabbed by the flash of a neon light  
That split the night  
And touched the sound of silence.

And in the naked light I saw  
Ten thousand people, maybe more.  
People talking without speaking,  
People hearing without listening,  
People writing songs that voices never share  
And no one dare  
Disturb the sound of silence.

Fools said I, you do not know  
Silence like a cancer grows.  
Hear my words that I might teach you,  
Take my arms that I might reach you.  
But my words like silent raindrops fell,  
And echoed  
In the wells of silence

And the people bowed and prayed  
To the neon God they made.  
And the sign flashed out its warning,  
In the words that it was forming.  
And the sign said, the words of the prophets  
Are written on the subway walls  
And tenement halls.  
And whispered in the sounds of silence.

**לו יהי**

עוד יש מפרש לבן באופק  
 מול ענן שחור כבד  
 לו יהי-כל שנבקש  
 ואם בחלונות הערב  
 החג רועד-אור נרות  
 לו יהי-כל שנבקש

אנא לו יהי-לו יהי  
 יהי-כל שנבקש

מה קול ענות אני שומע  
 קול שופר וקול תופים  
 לו יהי-כל שנבקש  
 לו תישמע בתוך כל אלה  
 אחת מפיגם תפילה  
 לו יהי-כל שנבקש  
 לו יהי.....

בתוך שכונה קטנה מוצלת  
 בית קט עם גג אדום  
 לו יהי-כל שנבקש  
 זה סוף הקיץ, סוף הדרך  
 תן להם לשוב הלום  
 לו יהי-כל שנבקש  
 לו יהי.....

ואם פתאום יזרח מאופל  
 על ראשנו אור כוכב  
 לו יהי-כל שנבקש  
 אז תן שלווה ותן גם כח  
 ה שנאהבלכל אל  
 לו יהי-כל שנבקש  
 לו יהי.....
