

Letter to the Durham Human Relations Commission

December 2, 2018

To the Durham Human Relations Commission:

We, rabbis from Durham, Chapel Hill and Raleigh, are writing to express our support for the November 12, 2018 “Draft Report, Findings and Recommendations on April 16th Statement by Durham City Council on International Police Exchanges.” We appreciate the report’s thoroughness and thoughtfulness and we believe it charts a constructive way forward for our community to heal. We call upon the Human Relations Commission to adopt the report at its upcoming January meeting.

B’virkat Shalom (with blessings of peace),
