

# jBaby Wiggleworms

*Music and movement for little ones\* & their adults*

**Saturdays, September 22-October 20, 2018**

**9:30 am-10:15 am at NSCI**

North Shore Congregation Israel and jBaby Chicago invite you to this classic music program brought to us by Old Town School of Folk Music and led by Joel Frankel.

The 45 minute class will include Jewish songs & dancing with your little one and is a great way to connect with other families raising Jewish children. Each week we will conclude with challah, juice and Shabbat blessings. The class is best for children 3-24 month olds.
