WELCOME FROM SOPHIE BRILLIANT

COORDINATOR OF TEEN & FAMILY EXPERIENCES

Welcome to “Youth Central” at The Temple! On behalf of our Education Team and our Project Connect Leadership, I am so thrilled to join the greatest congregation and start creating connections with you. The Temple is so much more than our religious and spiritual home; it is our social home as well. Our youth programs and social justice projects strive to create and build upon pre-existing bonds in fun and engaging ways.

No matter the event, our programs bring teens together to provide a Jewish experience outside the classroom. As the Torah teaches us, we must pass our values, beliefs, and passions on to the next generation, *dor l'dor*. The Temple's Project Connect initiative allows you, our teens, to meet, learn from and spend time with other teens and our incredible clergy, staff, and chaperones.

We can't wait for you to pick your project and find your connection!

The 45 Club is The Temple's youngest youth group for all 4th and 5th graders.

URJ Camp Coleman

In the beautiful North Georgia mountains, Camp Coleman is home to over 900 campers every summer. At Camp Coleman, campers learn about themselves and their Jewish heritage while participating in a wide variety of exciting activities.

URJ 6 Points Academies

The URJ also has a series of camps where students choose their majors and minors during their time at camp as well as other electives and Judaic programming. All of these camps are housed on boarding school campuses around the country.

The Temple is also proud to support almost 200 of our youth who attend these camps:

Camp Barney Meditz
 Ramah Darom
 Camp Judea
 Blue Star
 In the City Camp
 MJCCA Day Camp

Overnight Camp Scholarships Available

We encourage you to reach out to your Jewish summer camp to ask about their scholarship program. Many camps provide matching financial aid for students who apply to multiple donors. The Temple and Jewish Federation of Greater Atlanta offer scholarships and grants for Jewish overnight camping. More information can be found at:

Most of all, students will get to know their classmates better, participate in creative Jewish programming, and spend time having fun.

PROJECT CONNECT: HIGH SCHOOL

INTRODUCTION

Welcome to Project Connect! The Education Team, in partnership with our Project Connect Teen Leadership, has worked to create Project Connect, an umbrella group that connects teens (9th-12th grade) to their various interests. There are numerous opportunities, some existing and some new, to involve teens in ways that appeal to them. Teens may belong to as many Projects as they wish. Projects are led by teens who are responsible for scheduling and implementing events from beginning to end. The leaders of each project join together to create our Project Connect Teen Board.

This year our teen board is chaired by

Ryan Carter, Oliver Gillett, and Olivia Nelson.

PROJECT CONNECT (SOCIAL)

We empower our teens to help us plan, recruit, and host social events for their peers. Teens who would like to help plan events are invited to join the Project Connect Planning Committee. We will help with everything needed to have a successful event including registration and supervision.

Chairs: Eden Wassersug & Joie Beth Weiss

PROJECT JUSTICE

Project Justice is for teens wanting to engage in social justice and advocacy. This group participates in multiple advocacy events (tzedeck) ranging from gun violence prevention to equal rights and more. In addition, teens engage through hands-on social action projects (mitzvot).

Chairs: Abby Hyken, Jonah Jacobs, Noam Segal, and Daniel Sommerfeld

PROJECT SHIR

This group of high school musicians and singers, directed by Cantor Scher and Jordan Wilensky, our Music & Tefilah Specialist, come together to provide unique musical experiences for our Temple community throughout the year. Teens can choose to sing, play an instrument, or song lead for our congregation.

Chairs: Amalia Ackerman, Ben Romanstein, Ethan Droze, and Meyrav Malin

PROJECT MERRY MITZVAH - December 15, 2023

Project Merry Mitzvah is our teen-led social action project for the Zabam Paradies Center for Homeless Couples. Teens are needed to help fundraise, plan, and implement both the meal and shopping experience for the residents.

Junior Chairs: Anna Banner and Emily Silver

**Kickoff Meeting for all of our High School Programs:
August 27 at Noon
Lunch will be served.**

**Additional programs will be planned by the teens.
Dates and details will be sent out via email and social media.**

PROJECT TOLERANCE

Created and performed by teen actors, Project Tolerance is designed to raise the consciousness of its audiences through an original play which takes on contemporary societal ills while also educating about the Holocaust. Using the Holocaust as an extreme example of the consequences of racism, the Project Tolerance performance includes contemporary scenarios which tackle discrimination, bullying, apathy and intolerance. These social issues are dramatized in a compelling theatrical style which stimulates middle and high school students to think, discuss and perhaps even act on what they have seen. By witnessing other teenagers dealing head-on with issues of bigotry, discrimination, anti-semitism, homophobia, exclusion of people with learning needs or disabilities, and fear of the “other,” they are inspired to consider their own views on these subjects and to take stock of their personal values and behaviors.

Project Tolerance is a free performance, made possible by the generous bequest of Ambassador William B. Schwartz, Jr. Donations are welcomed.

PROJECT GESHER

We look forward to another successful year of Gesher for 7th, 8th and 9th grade students. Our middle school students meet with 11th & 12th grade peer leaders to discuss pertinent Jewish BIG QUESTIONS on Sunday mornings. In addition, the Gesher Peer Leaders travel with our students on their class trips to Alabama, Tennessee, Florida, or New Orleans. Gesher leaders are trained by our clergy, psychologists, and our education team, and lead weekly sessions for our teens. Applications to become a Gesher leader are released at the end of each school year and are followed by an interview with our clergy and education team. All Gesher Leaders are also required to be involved in Project Connect in additional ways.

PROJECT MADRICHIM

11th and 12th grade students are encouraged to sign up to volunteer as teacher's aides in one of the lower elementary classrooms. Madrichim (literally "leaders" in Hebrew) assist teachers in all aspects of the curriculum. 8th graders also serve as assistant madrichim on Sunday mornings as part of their curriculum. Volunteer hours and a gift are awarded at the end of the year for all juniors and seniors.

PROJECT TZADIKIM

All 9th graders who have completed the madrichim program and 11th and 12th graders have the opportunity to be a part of Project Tzadikim. Tzadikim train with our learning specialist and BEC Team and are taught the skills and techniques to work with kids who learn differently. Volunteer hours and a gift are awarded at the end of the year for all juniors and seniors.

BBYO

We know there are many ways to get involved in the Jewish community in Atlanta. The Temple is excited to partner with BBYO as an Intown hub for their chapters. This program is based out of the MJCCA including staffing and registration, but we will share information on events with you through our monthly Project Connect emails. Join over 1,000 teens in the Greater Atlanta Region by becoming a BBYO member online at atlantajcc.org/bbyo. Once you are a member you will have the opportunity to attend their regional and local chapter events. They have two chapters (one BBG and one AZA) that operate Intown as well as nine other chapters all over Atlanta including Sandy Springs and Dunwoody.

JUMPSPARK

JumpSpark connects Atlanta's Jewish teens to top-quality programming.
