

Dear Families:

Enclosed please find information about our 2021 Camp Minimac summer program at the Weinberg Early Learning Center. This year we are doing camp a little bit different. We always want to provide an amazing camp experience with flexibility for our families. Unfortunately, the pandemic is making it necessary to change our flexibility some so we can keep camp fun all the while prioritizing keeping everyone safe. We have been successful with our pod system during our school year so we feel it is so important to keep that precaution this summer. Our COVID-19 policies that were put in place during the school year will remain in place for Camp Minimac. We have also included some guidance in the packet below for helping keep everyone safe.

We are offering camp in three sessions! Each session will be treated as a pod to keep our students safe! The pod system means that during those 3 weeks there will be a max number of children that your child will come into contact with. We'd love nothing more than for your child to be with us for the entire fun-filled summer as we enjoy learning and experiencing so much!

Play and Learn with Camp Minimac's "Adventure Camp!" Each week within the sessions, we will go on a new adventure to exciting places from the jungle to space. We will enhance our knowledge and enjoy exploring each location through activities including special in-house field trips, art, music, science, games, cooking, and more!

This summer Camp Minimac starts on June 1st and goes through July 30th!

Session 1:

June 1-4: (Closed May 31st) Antarctic Expeditions

June 7-11: African Safari

June 14-18: Desert Camp Out

Session 2:

June 21-25: Ocean Deep Divers

June 28-July 2: American Adventures

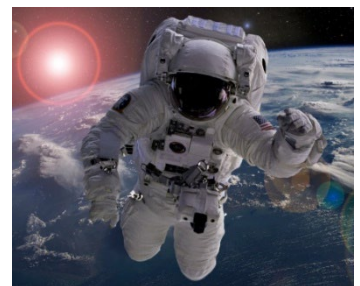

July 6-9: (Closed July 5th) Space Explorer

Session 3:

July 12-16: Dinosaur Time Travelers

July 19-23: Volcano Visitors

July 26-30: Amazonian Jungle Cruise

Children who enroll in the Half Day Program may utilize the Boker Tov Club (starting at 8:30AM). Our Extended Day Program continues through Camp Minimac so that children may attend from 8:00AM-5:00PM. You may enroll in different programs each session to meet your scheduling needs.

As we have done for the past several years, Camp Minimac will accept recent preschool graduates. Instead of having one more transition before Kindergarten, the children can enjoy the summer with us before the fall.

If you register before April 15th we **waive** the Camp Minimac Registration fee (it's our way of giving you a break in preparation for tax day).

Sincerely,

Audrey

Dear Families,

We are looking forward to having Camp Minimac in person this year! Below is some guidance we have taken from the CDC to have a safe and fun summer. As you read this please keep in mind these guidelines are suggestions to help keep our WELC community (including teachers, staff, children, and their families) safe from COVID-19 exposure. We hope you will keep them in consideration while making your summer plans. For more information visit <https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>

- When traveling keep in mind the following activities which can put you at higher risk for COVID-19:
 - Going to a large social gathering like a wedding, funeral, or party.
 - Attending a mass gathering like a sporting event, concert, or parade.
 - Being in crowds like in restaurants, bars, fitness centers, or movie theaters.
 - Taking public transportation like planes, trains, or buses, or being in transportation hubs like airports.
 - Traveling on a cruise ship or riverboat.
- Wear a mask over your nose and mouth when in public settings. Masks are required on planes, buses, trains, and other forms of public transportation traveling into, within, or out of the United States and in U.S. transportation hubs such as airports and stations.
- Avoid crowds and stay at least 6 feet/2 meters (about 2 arm lengths) from anyone who did not travel with you. It's important to do this everywhere — both indoors and outdoors.
- Wash your hands often or use hand sanitizer (with at least 60% alcohol).
- Bring extra supplies, such as masks and hand sanitizer.
- Avoid contact with anyone who is sick.
- Avoid touching your eyes, nose, and mouth.
- Get tested when you return with a viral test 3-5 days after your trip and stay home and self-quarantine for a full 7 days after travel, even if your test is negative. If you don't get tested, stay home and self-quarantine for 10 days after travel.
- If gathering with friends and family please do so outside when possible.
- Please do not have children attend other camps in between attending Camp Minimac. This will prevent community spread.

We appreciate your help in keeping Camp Minimac a safe and healthy place to have a fun summer!

Sincerely,

Audrey and Sarah
