TBS Mission

Temple Beth Sholom is a vibrant, inclusive Jewish congregation in Miami Beach affiliated with the Union for Reform Judaism.

We develop meaningful relationships and transformative experiences by committing to our core values of Spirituality (עבודה, *Avodah*), Lifelong Education (תורה, *Torah*), Community (קהילה, *Kehilah*), Israel (ישראל, *Yisrael*) and Repairing The World (תקון עולם, *Tikkun Olam*).

Justice League Overview

In alignment with our Temple's mission, the Justice League is a year-long cohort for advanced high school students who want to deepen their Jewish experiences of learning, service and advocacy while strengthening bonds with self, peers, the TBS community and the greater community of which we are a part in Miami Beach and beyond. Justice League is open to Jewish 11th & 12th graders, whose families are or are not current members of TBS. Admittance into Justice League will be selective, by completion of the below application only, and commitment must be 100% for the year.

The Fellowship will typically comprise of two meetings per month: one which will be an opportunity for a "deep-dive" into Jewish learning that relates to that month's theme; and one off-site meeting for learning and/or service in the community.

Justice League will include an immersive service trip over Spring Break (March 23 - March 30, 2020), sponsored by the Al and Jane Nahmad Family Foundation (AJNFF). This service-trip is only open to Justice League Fellows who participate throughout the year-long fellowship. It promises

Justice League

to be an unforgettable week of learning with opportunities to make a positive difference in the communities we visit.

Every fellow will take turns leading a project, including partnering with Rabbi Bair and the Justice League Organizer to design and direct the project. In consultation with Rabbi Bair, each fellow will also have the opportunity to study, write and deliver a D'var Torah based on their approved justice project, which will introduce the study session for the month.

Goals

Enduring Understandings:

1. Torah is profoundly concerned with and relevant for creating a more just society.
2. Our engagement with Jewish text adds meaning to our lives and keeps Jewish tradition evolving and alive.
3. Privilege is real and with it, comes great responsibility for those less fortunate.
4. Our world is broken. Through education, first-hand experiences and action, we can contribute to its healing.

Objectives:

1. **Learn.** Learn to engage with Jewish texts meaningfully.
2. **Teach:** Speak and advocate intelligently about several issues of social injustice in our community.
3. **Act:** For the sake of peace, build trust, build education & awareness and build compassion for those around us. Make a positive difference in the community.
4. **Lead.** Design and implement your own justice project.
