Yehi Ratzon Milfanecha

May it be your will that we continue to sing with spirit.

May it be your will that we continue to walk a spiritual path and ask for guidance as we trudge that happy road.

May it be your will that we remember friends and loved ones who are no longer with us. Before his passing this year, Fred Levine encouraged and supported me in a time of need with love and kindness. May we continue to remember his spirit, along with other departed friends and loved ones, by showing encouragement to those in need.

Yehi Ratzon Milfanecha…

May it be your will that we continue to welcome new members to our congregation and grow together spiritually. May we continue to study Torah and honor Shabbat and help each other where we can. May it be your will that, together, we find peace. Shalom Be-Chai-aynu. Peace as a congregation. Peace in our Brookline community. And Peace in our nation and as members of Eretz Israel.

God, may it be your will that we continue to ask for help and sing at TBZ.
