Phonebank for Transgender Equality at TBZ

Every Thursday until the November election | 6:00pm - 9:00pm

Next Phone Bank TONIGHT, Thursday, August 2nd, 6-9pm!

This election, Massachusetts Ballot Question #3 asks voters if they want to keep current state non-discrimination law, which makes it illegal to deny service to transgender in public spaces such as stores and hospitals, and which allows people to use the bathroom that matches their gender identity. Opponents are falsely claiming men will masquerade as women to attack women and children in restrooms. **The work we do at these phone banks is vital to educating the people of Massachusetts about these issues, and ensuring these important civil rights are upheld.**

For questions or more information about the campaign, contact Marion Freedman-Gurspan (freedgur@aol.com, 617-835-1190) or Melinda Strauss (melindastrauss@gmail.com).

Watch this 1-minute video to learn why it's important to vote YES on Ballot Question 3.

Family Table

Thanks to all for a great pickup today! Please continue to donate soup, crackers, and other goods as we work to end food insecurity in our community. Thank you!
