

THE ZOOM MITZVAH EXPERIENCE

at Temple Shalom of Newton

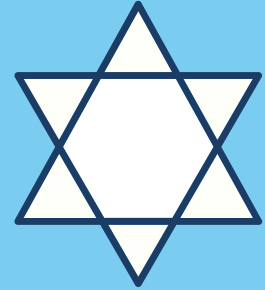

YOUR HOME

The Temple Shalom team helps you prepare your home for the big day, including setting up of the ceremony space, video feed, and virtual Zoom call.

THE CLERGY

As always, a Rabbi and Cantor are there to lead the service. They participate via Zoom or, if the ceremony is outdoors with 10 people or less, one clergy member can be present with you.

THE VIDEOGRAPHER

Temple Shalom has a videographer who can come to your home (with a mask on) to set up lighting and video/sound equipment and connect you to the Zoom call.

YOUR FAMILY & FRIENDS

All your family and friends can join in on the special day! The service will be streamed live on our website. Anyone participating in the service (who is not in-person) will join the Zoom call.

THE TORAH

We hand deliver the Torah to your home! Don't worry, we make sure you have everything you need for the ceremony and we know the Torah is in good hands.
