

# Mitzvah Day 2018

## Kosher Food Pantry

We will meet at 2004 S. Green Road to sort and fill grocery bags for those in need of food! The bags will then be distributed throughout Cleveland. Keep in mind, some physical ability is required (ie, standing, sorting, filling). Please note, this project **begins at 9:30 am at 2004 S. Green Road** and ends at 11:00. Two volunteers are needed from 11:00 am to 12:00 pm.

Up to **8 volunteers** welcome!

## Let's Clean Up Suburban Temple-Kol Ami!

The landscape and parking lot here need a little TLC! Please plan to meet in the Sanctuary at 9:30 am. We will then head out (or stay in depending on weather) from 10:00-12:00

Up to **10 volunteers** welcome! No experience required.

*This Mitzvah Opportunity is for ages 7+*

## **Kids Book Bank**

We will begin at Suburban Temple-Kol Ami ( you can meet at Kids Book Bank) in the Sanctuary at 9:30 am, and then we will head over to the Kids Book Bank (3635 Perkins Ave #1E, Cleveland, OH 44114).

The Kids Book Bank provides children's books to thousands of children in Cuyahoga county. Your help in sorting ensures these books can get into the hands of kids! The project will run from 10:15 to noon.

Up to **20** volunteers welcome!

*This Mitzvah Opportunity is for those ages 9+*

## **Friendly Visits**

We will begin with creating "thinking of you" baskets. Then each car will deliver the baskets and if possible, visit with the member. This is a great opportunity to provide some cheering up, which is something we can all use every now and then!

We will meet in the Sanctuary at 9:30. The project will be from 10:00-12:00.

Up to 15 volunteers welcome!

*This Mitzvah Opportunity is for all ages!*

## **Animal Toys**

There are so many dogs in shelters and they need things to play with! Learn to create toys for dogs to love. We will meet in the Sanctuary at 9:30 and the project will run from 10:00-12:00.

Up to **20** volunteers welcome!

*This Mitzvah Opportunity is for all ages!*

## **Comfort Kits and Cards**

The Reinberger Center is a family friendly area tucked inside Akron Children's Hospital that lets parents get some rest without getting too far away from their critically ill babies. Help us create toiletry kits for these families! We will meet in the Sanctuary at 9:30 and the project will run from 10:00-12:00.

Up to **20** volunteers welcome
