Things Have Changed Since
You Went To Sunday School...

Moving beyond
textbooks, Our Tent engages
learners in conversations
and immersive experiences
helping lifelong learners
lead richer Jewish lives

Our Tent's Lifelong Learning Helps
Students Explore Judaism In Ways
That Are Meaningful To Them...

Our program
for younger students,
older students and everyone
in between is innovative

It features peer and multigenerational
classes fostering community, a variety of topics
encouraging diverse perspectives and worship
bringing everyone together

Classes Go Deep
And The Program
Goes Wide...

Lifelong learners delve into topics to gain a greater sense
of mastery- leading to a richer sense of Jewish identity

Our Tent goes beyond its classes with opportunities
beyond Sunday morning, with meaningful Shabbat
experiences, a popular and transformational retreat,
and a theme — this year it's *Hineini* (Here I am) —
that thoughtfully weaves together learning,
experiences and conversations
