

OCTOBER 2018

Adult Education at Or Ami

Torah Study – Saturdays, 9:00-10:30am

Join Rabbi Ettman on Saturday mornings – no experience with Torah or biblical text is necessary to participate in this lively, informative and relevant discussion. In the past, we have focused on some of the least focused-on books of the Bible, looking at how our ancient stories can inform our modern life. From the books of Psalms to Job, to Esther and beyond, each stand-alone class evolves into contemporary discussions about the story's relevance today.

Classes resume on October 4.

John Marks, MD COLORECTAL SURGEON

Whether you need a screening, initial consult or second opinion, the team at **Lankenau Medical Center**, part of Main Line Health, is known for its expertise in colorectal care. A heritage built by Dr. John Marks—one of the world's foremost colorectal surgeons whose experience includes more than 3,000 minimally invasive colorectal procedures—and his father before him, whose techniques remain the gold standard in colorectal surgery. What's more, with his partner Dr. Henry Schoonyong, sphincter preservation here at Lankenau is achieved 93 percent of the time vs. the national average of 40 to 60 percent. Which means most of our patients avoid a permanent colostomy bag.

B'nei Mitzvah

Hope Nasatir

Daughter
of Dara and David Nasatir
October 20, 2018

Hope Nasatir will be called to the bimah as a Bat Mitzvah on Saturday, October 20, 2018. Celebrating with Hope will be her proud parents, Dara and Dave Nasatir, brothers, Leo and Oliver, baby sister, Grace, as well as her beaming grandparents, family members and friends. In preparation for her big day, Hope has been working hard with Rabbi Ettman and Cantor Franzel. In addition, Hope has been

volunteering to assemble care packages for people with cancer, through the organization, Lisa's Army. It is important to Hope that these people who are going through such hard times "need to be loved and remembered."

Shane Felgoise

Son of
Valerie and Roy Felgoise
October 27, 2018

For my mitzvah project, I delivered lunches to people who were experiencing homelessness, through the organization One Kind Act a Month and to local shelters. We made sandwiches and distributed them to those in need. It made me feel happy because I was able to experience how nice it felt to help a less fortunate person and see them smile.
