

Men's Club Home Sukkah Kit

Be the first on your block to perform the mitzvah of building and dwelling in a Sukkah. Your family will enjoy it and you'll be a hero. Men's Club is pleased to offer this year a **larger 10' X 10' size**, and stronger, Sukkah. Order kits for yourself, or as a gift for others. Orders must be received by Monday, Aug 23. Pick-up at Har Shalom at 9:15 AM to Noon on Sunday, Sept 12.

- Kit comes with all necessary materials, including PVC tube frame, friction fit joints, wall material, supports for s'chach and instructions.
- Add s'chach or roofing material using locally gathered greens or cornstalks. Cornstalks are available locally. Bamboo mats are available online.
- Large 10 ft X 10 ft layout with wide door opening provides plenty of room.
- Assemble in about 45 to 60 minutes.
- Easy to take down and store for reuse year after year.
- Decorate with the family by hanging fruit, pictures, drawings, etc.
- Low cost compares well with online Sukkahs costing much more.

To order: Complete form below with a check for \$379 each, made out to *Har Shalom Men's Club*. Drop off form and check at the front desk box labeled, *Men's Club Sukkah Project* by Monday, Aug 23.

Pick up: Rear of synagogue at 9:15 to Noon on Sunday, Sept 12. Longest PVC tube of 10 feet will fit in most cars through a window; plan accordingly.

Order Form (*Due at Har Shalom by Mon, Aug 23*)
