Rabbi's Message

Dear Member,

I am thrilled to be given the opportunity to be your Rabbi next year. There were many challenges when I came aboard. We needed to build a staff, with a new Religious School Director, a new Pre-School Director and a new B'nai Mitzvah Coordinator. There was a new High Holiday machzor, new leaders of committees, and a new location for Religious School. There were hurdles, hitches and holdups.

But we have met each challenge and thrived. The Temple has become stronger day by day, week by week. Well over 250 members donated close to 2,400 moments of their time to the synagogue. In fact, the Engagement Committee has been overwhelmed by this outpouring of dedication and will. Our lay leadership has built more effective means of communication between the constituent groups of our synagogue. Our Youth Group thrives. We have more than 50 madrichim on our Religious School staff. The environment of the school has been greatly improved. Our sanctuary has been beautified by a magnificent stone façade, compliments of the Sisterhood. There is little contentiousness in our ranks. We are moving forward every day.

But there is still work to be done. We must put ourselves on firm financial ground and return hours to the workday of our staff so they can more effective. We must make ourselves a presence in the community in order to draw others into our fold. We must unleash the full potential of the talents and skills of every congregant, making CDT the finest synagogue in Atlanta and beyond.

That I will be part of these efforts, paving a way for the success of the long term Rabbi and the congregation makes me feel fortunate and grateful.

In this next year let's join hands and work to make CDT the very finest house of prayer, house of meeting and house of study.

**L'shalom,
Rabbi David Katz**

The Board of Directors is pleased to announce that we have reached an agreement with Rabbi David Katz to extend his contract for an additional year to remain CDT's Interim Senior Rabbi through June 30, 2017. Rabbi Katz has done a tremendous amount for CDT in the short time he has been with us, and we look forward to working with him to help us through the transition to a permanent Rabbi. If you have any questions, please do not hesitate to contact any member of the Board of Directors.

Cantorial Soloist

In just a few short weeks, on the eve of March 23rd, we will be celebrating the Holiday of Purim. At CDT we will be reading the Megillah, engaging in a wonderful Purim Spiel, eating Hamentashen, and dressing up as some of our favorite Jewish heroes like Mordechai and Esther. The Holiday of Purim is celebrated with vigor all over the world. In Israel, Jews will even take to the streets in costume - celebrating with carnivals and parades. Of course, at the heart of Purim is the reading of Megillat Esther - the story of Esther. There are, however, two lesser known traditions that add meaning and warmth to the celebration:

Mishloach Manot are gifts that people send to their friends or potential friends. These "gifts" are usually small bags or baskets filled with treats and, of course, Hamentashen!

Matanot L'evyonim are gifts given to the needy so that they may also enjoy Purim with a celebratory meal. The Kosher Food Pantry at JF&CS is always in need - what better way to celebrate our freedom from persecution than to ensure those in need are able to feed their families.

Mike Zuspan
Cantorial Soloist

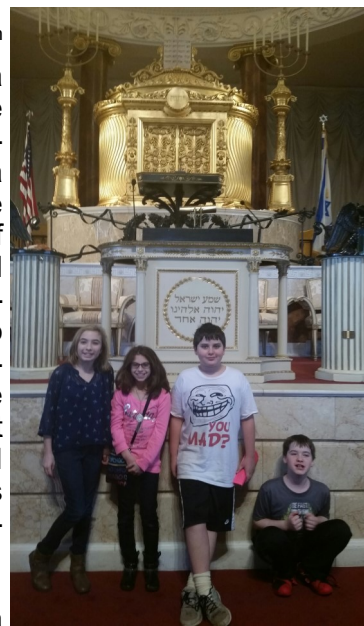

I hope that you will all join us at CDT on Wednesday, March 23rd at 6:15pm as we celebrate Purim with the reading of the Megillah, food and drinks (adult beverages, too!), costumes, and our amazing Rock & Rollin' Purim Spiel.

Education Director

It's hard to believe another month has passed. I guess time flies when you are having fun....

We had a great early 7th grade session of Religious school on Super bowl Sunday. We had 89% attendance. So to show my appreciation, the 7th graders were treated with a great super bowl cake and snacks! I love it when things work out at the end!

On February 21st our 6th grade class went on a field trip to The Temple to participate in PROJECT TOLERANCE, a 45 minute performance dealing with issues of bullying, prejudices, and racism, along with behaviors that lead up to the Holocaust. The feedback we got from the parents and the student was extremely positive. I will continue to keep this program in our curriculum in the future.

Next time you get a chance, pop in the Religious school on Sunday and you will get to see our Madrichim wearing their new T-shirts. They are looking great. Thank you guys for wearing them, I appreciate it! It really makes a difference in how our school looks.

This month all the students got a packet to take home for the Passover Candy Sale. All proceeds from the sale will go towards programming at the religious school for the year. All orders are due March 20th. Thank you very much for your help.

Even though we started the Passover candy sale we still look forward to celebrate Purim! So mark your calendars....MARCH 20TH – PURIM CARNIVAL run by your very own CDDTY!!! More information coming soon.

Message from the President

It has been a busy year at CDT. We have had many changes. If you have been to our office recently, you may have met our newest staff member, Molly Peled who accepted the position of Education Director late last year. Her energy and positive demeanor add much to our already wonderful staff.

We are delighted that Rabbi Katz has agreed to spend a second year at CDT as our interim rabbi. Later this year we will be seating a committee to search for a permanent rabbi.

I would like to thank our Beautification Committee for all of their hard work and recommendations to help improve our building. If you have recently been to services, you may have noticed the beautiful stonework on the Bimah. The money for the Bimah Beautification, which includes the stained glass, woodwork and stone work was paid for by our Sisterhood. The Sisterhood also donated money in order to have our carpets cleaned at the end of February.

The nominating committee is in full swing coming up with a slate for next year's Board of Directors. I would like to thank Jennifer Hall for agreeing to chair this vital committee.

Our youth group CDDTY continues to have record attendance at regional events. If did not attend the Family Feud evening hosted by CDDTY, you missed a truly fun night.

We have many events coming up in the next few weeks, Purim, our dinner with Rabbi Ron and the Hunger Walk. I hope to see you soon.

B'Shalom,

Ellen Mayo

Social Action

It's hard to believe that in only 21 days Spring will be upon us. Hopefully, it will start early and we can have a beautiful "walk around Atlanta" on March 13th for the Jewish Federation/Atlanta Community Food Bank Hunger Walk. Please join our captains, Debbie Eskenazi and Drew Fonoroff, along with so many other synagogues, religious organizations, companies, civic groups and dedicated individuals as we help raise funds to erase food insecurity in the Greater Atlanta Metro area. We'd love it if you'd participate by walking with our team. If you can't walk or run for whatever reason, please consider donating to this great cause. You can join or support the CDT Walkers at: <http://goo.gl/Oa8F7z>

Beginning March 15th, we will be commencing our "Blessing/Mitzvah Bag Project." We will be collecting a multitude of items, which can be found on the CDT website under "Community" and then clicking on "Social Action," which will then be sorted, bagged and donated to Lift Up Atlanta for both adults and children.

I would like to thank all of those people who volunteered to feed the residents of the Zaban Couples Center during the month of February. We indeed had a collaborative effort this month, both through using "moments" and our volunteers. Thus, rather than naming the numerous individuals, I will have to just say an resounding "Thank You!"

For more information about this and other events, contact socialaction@dortamid.com.

Ritual Committee

The Ritual Committee is continually working on many projects to enrich the spiritual life at CDT.

Please join us for **Movie Night at CDT**. Saturday, March 19 at 7:00 p.m. We will be showing the movie, NO PLACE ON EARTH. It is an incredible true story of strength and survival during the Holocaust. This is a gripping, moving tale of inspiring endurance during World War II, as a group of Jewish families fight to evade being caught by the Nazis. They live for over a year and a half, hidden deep below ground struggling to persevere.

This event is **FREE** and you are encouraged to invite neighbors and friends. Popcorn and soft drinks will be served. This movie is rated PG-13, and is not recommended for children under the age of twelve.

SAVE THE DATE and begin getting your costumes ready for **PURIM!!** Our **Purim Shpiel** will be held on **Wednesday, March 23 at 6:15 p.m.** We will have food and drinks, both for adults and children; our annual costume contest; and readings from "The Book of Esther". Be prepared to shake your groggers, boo and hiss as you hear Haman's name read. Celebrate the bravery of Esther of and Mordechai, and the deliverance of the Jewish people of Persia from death, and cruelty of oppression.

As always, if you have any comments or suggestions regarding our religious services or holiday celebrations, please let us hear from you. Contact: ritual@dortamid.com Our goal is to make your ritual experiences at Congregation Dor Tamid as meaningful as possible.

B'Shalom,

Nancy Mittler, Ritual Trustee
On behalf of all the members of the dedicated
Ritual Committee

Community - The definition says it is "A group of people living in the same place or having a particular characteristic in common. Also, a feeling of fellowship with others, as a result of sharing common attitudes, interests, and goals."

We are a "community" in every sense of the word. And the Engagement Initiative serves to strengthen that feeling among all of us. We are so proud of many members who not only donated "moments", but who have responded to our needs in filling roles and increasing participation. Everything from baking for a Friday night Shabbat oneg, to attending Adult Education, to one of our most recent events - helping prepare food to feed 60 couples at the Zaban shelter. Every moment we as members donate back to CDT makes us a stronger congregation, a better community, and in turn we hope give you a feeling of a more engaged member. One member who recently fulfilled a moment said, "This program is great. I would have never gone to Adult Education, except I got an email saying it was 'my moment'. I really enjoyed the opportunity and will most certainly go back again".

Have you seen an email from us yet saying "This Is Your Moment"? If you have, please take the time to help fulfill the many needs of CDT. And if you haven't, we have many more opportunities in the coming weeks and months for moments to be used.

If you have questions, please feel free to check the CDT website for FAQ's, or email moments@dortamid.com.

Please check www.dortamid.org for the most updated calendar of activities.

AN INCREDIBLE TRUE STORY

NO PLACE ON EARTH

AN INCREDIBLE TRUE STORY OF STRENGTH AND SURVIVAL

Coming to
COT
Saturday
March 19
7:00pm
FREE

In 1942, 38 men, women and children slid down a cold, muddy hole in the ground, seeking refuge from the war above in a pitch-black underground world where no human had gone before. These five Ukrainian Jewish families created their own society where young men bravely ventured into the harrowing night to collect food, supplies and chop firewood. The girls and women never left; surviving underground longer than anyone in recorded history. Held together by an iron-willed matriarch, after 511 days, the cave dwellers, ages 2 to 76, emerged at war's end in tattered clothes, blinded by a sun some children forgot existed. Despite all odds, they had survived.

The remarkable true story of NO PLACE ON EARTH starts out as a mystery. While exploring some of the longest caves in the world in southwestern Ukraine in the 1990s, American caver Chris Nicola stumbled on to unusual objects...an antique ladies shoe and comb, old buttons, an old world key. Was the vague rumor true, that some Jews had hid in this cave during WWII and if so, had any survived to tell their tale?

67 years later, Chris leads four of the survivors back to Ukraine to say thank you to "the cave."

Our **Sisterhood** had such a full month in February!

We had **25** of our Sisterhood members participating in our **Sisterhood Shabbat** service in many different ways - reading English, reading Hebrew, singing, ushering, opening the ark, and baking for the Oneg. Thank you to **Ruthie Cohen** for putting together such a beautiful service that ran so smoothly, **Lisa Danzig** for all your assistance with the service, **Rabbi Katz** for overseeing everything, **Cantor Mike** for singing and coordinating all the music, and to all of our Sisterhood members who helped make this a very special evening.

We were honored to have **Madi Hoesten**, the President of the WRJ Southeast District, and **Ellen Petracco**, the First VP of the WRJ Southeast District, fly in from Florida to attend our service. Madi delivered a very moving D'var Torah and presented our Sisterhood with our WRJ Membership Charter. The Charter is beautifully mounted and will be hanging in the CDT office for all to see.

Our weekend continued with our **Sisterhood Retreat** held at the lake and our WRJ guests attended as well. We spent the weekend learning about the WRJ, leadership, and most importantly - each other. We had a beautiful Havdalah service down by the lake. It was a very special time filled with food, fun, talking, more food and a lot of laughs -a great bonding experience. Thank you to **Lisa Danzig** for hosting our retreat in your beautiful lake house and **Caren Simon**, for organizing this retreat.

Our **Sisterhood Heart Healthy Lunch** was held on the last day of February (after this newsletter was written) so you will hear all about it next month – hopefully, you attended.

MARCH EVENT

Sisterhood Recipe Exchange

Tuesday, March 29th at CDT – 7:00 pm
(More information to come)

Sisterhood is very proud that we could contribute to beautifying our CDT sanctuary. We recently had woodwork done on the bema steps as well as the base of the bema. We also paid for the stone that was installed on the walls with the menorahs. All these touches have really warmed up the bema and have made the sanctuary more inviting. It all fits in so nice and looks like it was always there! We want to thank the **Beautification Committee** for all the time they spent deciding what would be best for our bema.

A big thank you to **Paul Nestor of Etowah Flooring**, who did all the stone work and donated all of the wood and the labor for the wood job. Sisterhood also had all the carpets cleaned on the bema, sanctuary, social hall and entranceway. If you haven't had a chance to see all the wonderful improvements yet, I urge you to please go by and see for yourself!

UPCOMING EVENTS

Passover Cooking – Tuesday, March 29th

ANNUAL

MEETING

SUNDAY MAY 15 at 10 AM

B'nai Mitzvah

Andrew Fleming
February 20, 2016

Andrew is a 7th grader at North Gwinnett Middle School. He loves to play football and basketball and watch all sports, especially 'BAMA' football. Andrew earned his second degree black belt when he was 11 years old.

Andrew wanted to center his mitzvah project around his love of sports. He collected new and gently used sports equipment over the past many months to donate to the organization, Let's Play It Forward. This organization is located in New York and was started by a group of teenagers four years ago. The equipment will go to underprivileged children around the world, who do not have many of the opportunities our children have today.

Stephen Rusnak
February 20, 2016

Stephen, known to family and many friends as SJ, is a hardworking, fun-loving student at the Davis Academy, the U.S. Taido Karate School, and the great American pastime—Baseball. He excels at and loves science and social studies, loves eating, (Costco is our friend!), video games, and pranking

his sister, Rachel. Stephen is a member of the U.S. Taido Top Gun team and hopes to test for his black belt this summer, having worked for over seven years mastering the many complex forms of Taido. In baseball, Stephen completed a successful little league career at Murphy Candler last year, leading his "Majors" team in homeruns, including a grand slam. He now plays for the Brookhaven Dodgers and the Davis Academy.

Stephen is a seasoned world traveler, having visited more than a dozen countries on three continents already. Last year, in Tanzania, Africa he visited the Ayalabe primary school. From this experience, his *mitzvah* project was born. He was deeply affected by the conditions at that

school and the few supplies available for the students. Focus on Tanzanian Communities (FoTZC) raises money for similar schools in Tanzania, helping those schools provide a better education for their students. To raise money for FoTZC, drawing on his Taido expertise, Stephen asked family, friends and classmates to pledge a "penny a punch", and threw a thousand punches at his Taido school, raising over \$600 for FoTZC. Stephen has worked very hard preparing for this day, and we could not be prouder of him.

Justin Cushing
February 27, 2016

Justin is a student at Taylor Road Middle School where he plays percussion in the 7th grade band. He enjoys a variety of activities although his favorite pastime is computer gaming and technology.

Justin is looking forward to his 5th summer at Emagination Computer Camp, where he

has mastered coding programs such as Scratch and Java and has learned Web Design, 3D RPG Design and Mobile Game Design. He enjoys sharing his passion with younger children and last summer he was a Junior Counselor at Imagine That Fun Camp and Camp Invention.

Justin has been volunteering with a variety of organizations through the JCC's Teen Community Service Program. He has partnered with Project Open Hand and worked at the Atlanta Community Food Bank. Justin also had the unique opportunity while in Israel in December to volunteer at Jerusalem Hills, a therapeutic residential treatment facility for at-risk children. Justin painted the walls and hallways of the center and interacted with two of the boys who are residents. This experience, along with the opportunity to learn and see the history of Israel, pray at the Western Wall, and lead a special memorial service at the Synagogue on Masada, has entrenched in Justin the importance of practicing and preserving Judaism.

What lies behind us and what lies before us are tiny matters compared to what lies within us.

Congratulations to Dor Tamid's Jacob Abramow and Stephen Hahn for their amazing accomplishment in winning the Verizon Innovative App Challenge for their app concept... "Vroom - The Student's Carpooling App".

Jacob and Stephen are part of a team at Johns Creek High School who won the Verizon Innovative App Challenge. Jacob and Stephen (along with team members Tiffany Hseih, Preeti Iyer, Sneha Iyer and Avery Paul) were surprised by the announcement from Verizon representatives that they had won, and were presented with \$20,000 for the STEM programs at their high school. Their app will be designed and implemented with the help of students at Massachusetts Institute of Technology (MIT).

The team was featured on 11 Alive News and Fox 5 News, interviewed by NPR's Closer Look, received a special visit from Linda McCain, Fulton County School Board President and Clifford Jones, Area School Superintendent and acknowledged by the Fulton County School Board at their last meeting. The students gave a special "thank you" to their club sponsor, Dr. Corrine Williams who provides them great support!

Stay tuned for more news as the Vroom app gets developed!
