Rabbinic Reflections

Dear friends,

As this issue of our monthly newsletter will actually cover both the months of June and July, I wanted to take a few minutes to reflect upon my first year as the rabbi of Congregation Dor Tamid. This has been a very exciting year for me and my family, as we moved to Johns Creek and joined the CDT family. And, at CDT, in the past year, we have made many changes and programmatic additions. Tot Shabbat, a service for young families, Play Tamid, a monthly play group for our youngest children, a weekly *Mishnah* class, CDT's first confirmation class, and a campaign for our future, have all been resounding successes. We have had many creative and spiritually uplifting services on Shabbat and holidays (including Beatles and Disney Shabbat), and our adult education program, with Torah Study, *Mishnah*, interfaith panel, and Sunday morning classes has helped accomplish our goal of creating a culture of lifelong learning. Together with our president, Rob Lederman, and the board, I have learned about the governance of CDT, and we have made changes to our bylaws that will allow us to work more efficiently. And we have made changes to our staffing structure, including the new position that was created of a Communications Coordinator, to help the staff better serve our members.

But ultimately, the first year of a new rabbinate is about listening. Much of my time this year has been spent listening to you and getting to know you. I have gotten to know so many of our members, from our youngest children to our most seasoned adults, and I count myself blessed to have found a community of such warmth. And through this listening, I have better learned what you are all looking for in the partnership that we will continue to build in the years to come between me, your rabbi, and each member of our sacred community. It is through this partnership that we will continue to build into the future that will truly allow CDT to grow in the years to come, not only in terms of the number of our members but, more importantly, in the quality of the relationships that we will build.

I hope you all have a great summer. Stop by and see us, come learn with us, and most importantly, join us in celebrating Shabbat.

Shalom,
Rabbi Jordan

President's Message

This is my final newsletter article as President of Dor Tamid. What a ride these past two years have been. We have had two rabbis, a ton of families join our community, and a multitude of people who helped shape the future of CDT.

I want to thank our Board of Directors. Each of these individuals puts in hours upon hours of their own time to help make CDT a better community.

I want to thank our staff. Each of you comes in with a smile on your face ready to take on the challenges that come your way. You help us solve our problems (or at least face them better prepared), you use your creative and organizational skills to help with our programming, and you each support our community in so many ways. I can't thank you enough!

I want to thank Rabbi Jordan, Cantorial Soloist, Mike Zuspan, and our Education Director, Molly Peled. The latter two have done so much to help me welcome Rabbi Jordan into our community. You all bleed CDT, sometimes literally. Rabbi, your presence in our community had an immediate impact. I only hope that each and every one within our community gets to know you the way I have and they get to see what a special man you are and how you will guide CDT's future.

I want to thank my family for putting up with my meeting schedule, the late-night calls, and "Where's Dad?" "Of course, he is at CDT...". This does not only go for my family but for the families of all of our volunteers, as well. I thank each and every one of you.

I would like to wish Dan Rosen and his Board of Directors nothing but the best. The incoming BoD is preparing to take on the many challenges that face CDT, but I am confident that they will make us an even stronger community and lead us with a strong vision into the future.

I want to close by reminding everyone that CDT is a place that is all about community. And we need for each and every member of our community to come together and make us stronger. Help us to grow CDT. Help us to welcome more into our CDT family. It will take hard work and commitment from each and every one of us, and I know we can do it. We can make CDT even more of a special place for all of us to call home.

Thank you for allowing me the privilege of being your President.

This is your CDT!

B'shalom,

Rob

Rob Lederman
President

President Elect's Message

I am honored and very excited to step into the role of President of our wonderful synagogue. I count myself very lucky to be able to seamlessly grab the baton from Rob Lederman and keep the forward momentum going.

I would like to highlight two key focus areas for me and the incoming Board of Directors. The first is the growth of CDT. As you all know, growing our membership base is very important not only to enhance our community with vibrant new members, but also for the financial health of our congregation. To this end, this term, we will have not one but two Board members focused on membership activities. Steve Wolfe will head our Membership Committee and Rachel Allen will be a Presidential Appointee focusing on growing our membership.

Another key area, and critically important to growing membership, is our external marketing. While CDT's congregation knows how great CDT is, we need everyone in the metro Atlanta area, and particularly in North Fulton, to know about us too. I am very excited about Stacey Jahanfar's expanded role here at CDT, where she will split her time between the religious school and now helping Debra Kerr (VP of Marketing) with external marketing.

It occurs to me that I will serve as CDT's 7th president. The number seven has been important throughout history and has many Jewish associations. Seems I am in good company!

- The first verse of the Torah has seven words.
- Shabbat falls on the 7th day of the week.
- Passover and Sukkot are celebrated for seven days.
- Shiva is seven days.
- The menorah in the Temple had seven branches.
- At Jewish weddings, the bride traditionally circles the groom seven times.
- There are seven female prophets named in the Talmud: Sarah, Miriam, Deborah, Hannah, Abigail, Chuldah, and Esther.
- There are seven major holidays in the Jewish year: Rosh HaShanah, Yom Kippur, Sukkot, Chanukah, Purim, Passover, and Shavuot.

I welcome your comments, suggestions and ideas on how to keep CDT growing and keep the momentum progressing.

This is your CDT!

B'shalom,

Dan

Education Director's Message

We finished the school year with everyone standing in one big circle, singing and eating popsicles! It was a great year for the school, and now I am off planning our next one!

WHAT'S NEW IN 2018-2019?

- **New time schedule:** for elementary, middle school and high school!
Middle and high school shifts back from evenings to daytime!
- **5th Grade Connection:** 5th grade schedule aligns with middle school, providing more opportunities to feel connected and prepared for middle school and youth group involvement. Lunch now included for 5th grade.
- Introducing **CDTeens!**: 7th-12th Grades
 - A fresh approach to middle and high school curriculum replaces current middle school and Derech Tamid: inspiring interactive curriculum including classroom education, field trips in the community, and social activities.
 - Curriculum structured by a guiding educational theme for each grade
 - 7th Grade: **Mitzvot** – content and hands-on activities geared towards learning about and doing social action and community service
 - 8th grade: **Comparative Religion** – content and hands-on activities geared towards learning about different types of Judaism and other religions; plus **Leadership Program** before entering the Madrichim program
 - 9th grade: **Holocaust, Anti-Semitism, and Israel** – content and hands-on activities geared towards learning about the Holocaust and issues of Anti-Semitism and Israel then and now.
 - 10th-12th grades combined: **Confirmation Class** – content related to current events and other relevant topics for group discussions led by Rabbi Jordan and Landy Gonzalez

Education Director's Message (cont.)

- **Shira Sessions:** Shira is a high energy song and story session (replaces T'filah) with our entire religious school all together in the social hall.
- **WhatsApp:** New communications system using WhatsApp!

Parents from pre-K—6th grade are required to volunteer one day of service at CDT per child. Parents from 7th grade—9th grade are required to volunteer as a driver to at least one field trip during the year per child. This will enable us to provide for the safety, security, and assistance that we need in order to keep our program growing and thriving. Dates of trips will be posted on the first day of school.

Sisterhood

Our Mission

To support the synagogue through
Judaism, Community Service,
Friendship & Fundraising

Sisterhood has had a busy 2017-2018 year! We started out by organizing the annual **Operation Isaiah** Campaign that assists the Atlanta Community Food Bank in feeding people in need. In addition, we volunteered at the **Cohen Home** as well as the **Zaban Shelter**. This year we added a new organization, **Helpingmamas.org**, where we collected baby items for moms in need.

Our annual **Sisterhood Shabbat** was a beautiful service and our annual **Women's Seder** was an educational as well as a fun event.

We coordinated **bazaars for both Chanukah and our first annual Spring Bazaar**. We also donated money to CDTTY's fundraiser benefitting **Camp Jenny**. We hosted speaker J. Tom Morgan who wrote the book "Ignorance is No Defense." He shared very important information to the teens in our community.

We had a lot of fun **socializing**, too! Some of our events included: trivia night at the Cohen Home where we won first place in the **Battle of the Sisterhoods**, **game night**, our **potluck dinner**, and annual **Chanukah party** and **women's wellness luncheon**.

I would like to thank our amazing 2017-2018 board for making all the above possible! I also want to thank all of our Sisterhood members who have participated and helped out with our many events. I've enjoyed getting to know so many of you in my two years as Sisterhood President. Good luck to our **President Elect, Lisa Danzig!**

Our B'nai Mitzvah

Cooper Davis

Cooper is an honors student at Autrey Mill Middle School and just completed the 7th grade. He plays percussion in the school concert band and is a member of Autrey Mill's Jewish Club. He was selected as a student ambassador to assist a visiting student from Korea, has played lacrosse with the Johns Creek Junior Gladiators, and is now playing on the 8th grade Junior Gladiators football team. He recently had his acting debut with the part of Obie in a Midsummer's Night Prom Dream at Autrey Mill Middle School. Cooper had many volunteer commitments this past year, including being the ball runner for the Johns Creek High School Varsity Girls Soccer team.

Cooper's *tikkun olam*/social action project had two components. He worked with his grandfather, Bob Davis, to design, create, and build a *tzedakah* box for Congregation Dor Tamid. The completed project can be seen in the lobby of our synagogue and will enable the entire congregation to contribute to various causes and charities in the coming years. Cooper also built a bookshelf and collected books to start a Little Free Library at Dolvin Elementary School. Cooper was able to combine his love for reading and woodworking with these two projects to benefit two of the places he cares for so much, Dolvin Elementary and Dor Tamid.

Zachary Rose

Zach will be attending North Gwinnett Middle School in the Fall for his final year of middle school. Zach enjoys a variety of sports including flag football and tennis. He plays flag football every summer, and he plays youth ALTA tennis in the Fall and Spring. Zach also loves playing guitar and helping take care of our two dogs, Peanut and Brownie.

For Zach's *tikkun olam*/social action project, he wanted to help others within our community, focusing on people who do not have enough food to eat every day. Zach volunteered his time at the Marcus Jewish Community Center of Atlanta, attending several Teen Community Service programs. He helped cook and pack meals and snacks that were sent to various organizations in the Atlanta area which provided food to hundreds of people. Additionally, while researching what to do for his *tikkun olam* project, Zach discovered the Ben Massell Dental Clinic. The Ben Massell Clinic is a 100% volunteer dental clinic, serving people in the Metro Atlanta Area who cannot afford dental service. The clinic is always in need of dental hygiene kits (toothbrush/paste/floss) to give to their patients. Zach's goal is to collect 100 dental kits to donate to the clinic by asking for donations from local dentist offices, friends, and family.

Benjamin Ashtar

Benjamin is a rising 8th grader at Piney Grove Middle School where he has excelled in a full advanced course load. His favorite subjects are Social Studies and Science — particularly Meteorology. He loves looking at the sky and forecasting the weather. His true passion, though, is soccer. Benjamin has played soccer since he was two years old, and he is a forward for United Futbol Academy '05 DA.

Playing soccer has helped Benjamin develop the important characteristics of good communication, dedication, and team work. He wants other kids to have the same opportunities he has had, which inspired his *tikkun olam*/social action project. Benjamin has chosen to work with the Kalonji Family Foundation in Lilburn, Georgia, which cultivates underprivileged youth through the Kalonji Soccer Academy program. He has collected soccer cleats and purchased soccer balls for donation.

Caring Committee

Supporting CDT families

Are you or a fellow congregant in need of a helping hand? The CDT Caring Committee is here to assist you. If you or someone you know is in mourning, undergoing surgery, or battling an illness, please contact the Caring Committee. Please notify the Caring Committee if we can help.

Call the CDT office at 770-623-8860 to reach Rabbi Jordan or contact Leslie Page at leslie_page@bellsouth.net or 404-317-5447.

To request that someone be added to the *mishabeirach* list, please contact the CDT office directly.

The Caring Committee will be available to deliver meals, provide support, and send messages of healing and concern. In order for the committee to be successful and meaningful to our congregants, we need to know who we can help. If you hear of someone, please contact the Caring Committee directly, the CDT office, or Rabbi Jordan. We will then reach out to determine what we can do.

As an ongoing initiative of the Caring Committee, we have established a "Chicken Soup" freezer. Please let us know if you would like a special delivery of soup. We will also periodically ask for donations of homemade 'Jewish penicillin' that will be kept frozen at CDT. If you are making soup and would like to bring a container or two to the freezer to share, please contact Leslie Page for further details.
