

Temple Israel College Outreach Program

Dear TI College Students and Parents,

Every year more and more of our congregation's young adults leave the comfort of home to attend college. Students are challenged to achieve a balance between college life and Jewish involvement. One of our goals at Temple Israel is to assist college students in maintaining their commitment to Jewish life and their connection to their home synagogue. This is why Temple Israel is instituting the College Outreach Program.

The College Outreach provides your college student with a bi-monthly bulletin, *Kol Yisrael*, which includes information on upcoming synagogue events, yahrzeits, birthdays, anniversaries, and articles. The program also sends out FOUR holiday and exam gift packages, including a fun gift, a card from the Temple Israel staff and a personal letter from Rabbi Murray Ezring.

Temple Israel is committed to the College Outreach Program, however we need your help. With a donation of \$36.00 per student, we will be able to maintain the high quality of this program.

If this financial request is outside of your ability, please call me (704-944-6772) and I will do whatever I can to help get your child enrolled in this program.

Thank You for Your Support,

Alan Johnathan

Director of Youth and Family Engagement
