We have all heard the term “burning the candle on both ends”. It reflects the busy lives we have and how we don’t have time to do the things that matter most due to our frenetic schedules. The events of the recent weeks and months should give us all pause to reflect on ways for us to simplify our lives and to make time to do the things that matter most.

While it is difficult to sometimes separate ourselves from the demands of our daily lives, I encourage you to enjoy the peace, solemnity and spirituality of our services. Whether it be on Shabbat, in the morning or evening, you will feel more balanced for having participated and getting the chance to be disconnected.

As the Hanukkah celebration ends and the secular celebrations continue, may you have the ability to only light your candle so that it burns on one end and that you have the privilege of placing the other end into a Menorah. May the light of the candles illuminate your spirituality and allow you to enjoy your family and friends.

I wish you and your family Chag Urim Sameach! May you be blessed with gifts of love, peace, and happiness this Hanukkah and throughout the coming year.

B'shalom,
Rich

It is hard to believe we have finished a half a year here at our Early Childhood Education Center. This month our infants through pre-k children will be learning about and celebrating Hanukkah.

The celebration of Hanukkah lasts eight days, in honor of the miracles that occurred so many years ago. We light eight candles on the menorah (*hanukkiyah*.) We light one candle the first night, two the second night, and keep lighting for the eight nights. We eat *latkes* (potato pancakes) and spin the dreidel, whose letters remind us “*Nes Gadol Haya Sham*,” “a great miracle happened there.” Many will give and receive chocolate gelt (coins) and often exchange gifts, too.

Here at B’nai Aviv we embrace Jewish life and holiday celebrations with your family and our youngest friends. Our Early Childhood Education Center had their first Menorah Workshop. This event was sold out and it was amazing to see our little builders creating their own menorahs to be used for Hanukkah. We will be offering additional holiday celebrations that are designed for your families of all ages.

Our B’nai Aviv Temple wide Hanukkah Party was on December 6th and we enjoyed traditional Hanukkah food, dance and lit the menorah together. On December 8th our family ShabbatTot Together program had our Latkas and Pajamakkah Party. Children wore their pajamas and enjoyed Shabbat and Hanukkah together.

With every Hanukkah candle we light, we illumine the most important messages of all: that we must always work to find light in the darkness, and we must always work to keep the light of religious freedom burning for all people, for all time. Chag Sameach!

B' Shalom, Mindy

From the desk of... Liz Singer, Director of Life Long Learning

To celebrate Thanksgiving students learned about the value of Shmirat HaGuf (Taking Care of our Body). To demonstrate this value 3rd Graders wrote beautiful blessings in recognition of what their body is capable of. These prayers included seeing nature, petting the animals, and eating food.

With the cooler weather students have also been having some classes outside. 7th Graders have taken the reigns of tefillah and have done an amazing job at leading the younger students in mindfulness exercises connected to specific prayers. The older students taught about Jacob and the Shema. They discussed the struggles that Jacob had to go through, and how the Shema addresses that.

Kehillah Club began in November with over 25 participants. We had 7th Graders and older students help make sandwiches for Mitzvah Meals. A few weeks later families kicked off the year by volunteering at the Harvest Drive, which was an epic event where those in need received bags of food and gifts to ensure that they have a happy holiday season.

In December we celebrated Hanukkah, students rotated while completing activities in different rooms. Kehillah Club created Kindness Rocks to serve as inspiration to those when they need it most. At this same meeting kids and parents will make blankets for Project Linus which distributes them to children in need.

Happy holidays!

B'Shalom, Liz

**JEWS IN CUBA HAVE
A LONG AND STORIED
HISTORY.**

Join us for a unique learning opportunity to examine the impact Jews have had on this sub-tropical paradise.

Jewish Cubans have lived in the nation of Cuba for centuries. More than 24,000 Jewish persons lived in Cuba in 1924, and more immigrated to the country in the 1930s. However, after the 1959 communist revolution, 94% of the Jews left for the United States and other countries. In 2007 an estimated 1,500 known Jewish Cubans remained in the country, overwhelmingly located in Havana.

Our discussion will include the waves of immigration to the island beginning Post 1492 continuing through World War II, the exodus from the island in the 1960's and Jewish life on the island today.

We will also explore the cohabitation of Jews regardless of original national origin (Sephardic vs Ashekenazic, Spanish vs Russia/Polish vs German vs Turkish.)

TORAH FUND AT B'NAI AVIV-2019

Torah Fund is a campaign sponsored by the Women's League for Conservative Judaism. Our Sisterhood is part of the Women's League, as are many other sisterhood's of Conservative synagogues across North America.

The Torah Fund campaign supports scholarships for Rabbis, Cantors and Jewish Educators who attend programs at the Jewish Theological Seminary in New York, the School of Rabbinic studies in Los Angeles, and educational programs in Jerusalem, Buenos Aires, and Germany. Since it began, Torah Fund has raised over 95 million dollars to provide scholarships to those who will serve as future leaders for the Conservative movement. B'nai Aviv's Sisterhood is proud to be participating in the Torah Fund Campaign.

Any amount donated to the Torah Fund campaign is greatly appreciated. But those who donate at the \$180 level are considered to be "Benefactors" and receive the beautiful Torah Fund pin shown below. Each year the pin is different.

It is very easy to become a Benefactor, if you consider donating \$22 a month, from now through next May. If you want to make it over 12 months, then it will be \$15 per month. You can write a monthly check to Torah Fund for that amount, OR, you can use a Torah Fund change collection box that we are happy to provide for you. Emptying your change, and collecting just \$7.50 per week will enable you to become a Benefactor this year!

B'nai Aviv Mission Statement:

B'nai Aviv is dedicated to serving and nurturing the spiritual, educational, cultural and social needs of its members in an egalitarian environment framed by Conservative Judaism.

Our synagogue is committed to providing these services in an atmosphere of warmth and mutual caring within a congregational family who share a deep-felt desire to promote and ensure the continuity of Jewish life, to perform tzedakah, and to support the State of Israel and the United States of America.
