AND THE WINNER IS.....

The Sisterhood Draw Down Raffle Event held on November 23rd was so much fun....especially for Nancy and Jeff Karsh who were the winners of the \$10,000 cash prize!

The evening was full of suspense and good times for those who attended the Draw Down Party! Delicious desserts were catered by Food Art Caterers, and a specialty coffee cart by La Vela was a great addition. Our B'nai Aviv Men's Club sponsored our bar, and for that everyone was very appreciative. And, a huge shout out of thanks to Marc Spiwak and his band, FLA Rock Zone, who donated their time and energy and really made our party a huge success!

The REAL winners of the evening are the members of B'nai Aviv, who will now be able to purchase new ballroom chairs, with the proceeds from the event. These are sorely needed. The chairs we are currently using are thirty years old, and badly need replacing.

Thank you to all the members who bought and/or sold raffle tickets to make this possible, and a special thank you to the hard working members of this committee:

Corinna Black-Kushner, Paula Bonawitz, Carol Brown, Lara Cohen, Mina Gerstenfeld, Ruth Goldin, Jodi Heimowitz, Vicki Kushnir, Arlene Levy, Mindy Libes, Susan Marx, Corrine Rosner, Sheri Schour, Bonnie and John Salmon, Stacy Sandler, Amy Sherman, Angie Watstein, Monica Wilner, and of course, Lynne Balaban, who helps us with all Sisterhood projects!

Top Five Legacy Giving Myths

5. If the organization dissolves, so will my money. It's hard to predict where any of us will be in 10, 20, even 50 years. If you are worried that your organization might not be around when your gift is ready, you can indicate that you'd like it to go to a particular cause (Jewish education) as a second choice.

4. My children are getting all my money. Every parent wants to make sure their children are financially secure. Consider leaving just a portion of your estate to charitable causes. A gift like this will leave your children with both financial support and an ethical lesson in the importance building a better world.

3. I might need my money. It's true, you might. And it'll be there for you if and when you do. This type of gift represents what you want to give once you are no longer here to need your assets.

2. I want my money to go where it's most needed. Sometimes it's not an organization that moves us, but the idea that we can make a difference in the world. If you have a mission that you'd like to accomplish, We can help you plan your legacy gift around accomplishing that mission. Contact ...

1. I have to be a millionaire to leave a legacy. The beauty of legacy giving is that you can make a gift of any amount of your estate. Whether your estate is worth a few shekels or a few billion, your gift is your legacy. And your legacy should live on!

Torah Fund is a campaign sponsored by the Women's League for Conservative Judaism. Our Sisterhood is part of the Women's League, as are many other sisterhood's of Conservative synagogues across North America.

The Torah Fund campaign supports scholarships for Rabbis, Cantors and Jewish Educators who attend programs at the Jewish Theological Seminary in New York, the School of Rabbinic studies in Los Angeles, and educational programs in Jerusalem, Buenos Aires, and Germany. Since it began, Torah Fund has raised over 95 million dollars to provide scholarships to those who will serve as future leaders for the Conservative movement. B'nai Aviv's Sisterhood is proud to be participating in the Torah Fund Campaign.

Any amount donated to the Torah Fund campaign is greatly appreciated. But those who donate at the \$180 level are considered to be "Benefactors" and receive the beautiful Torah Fund pin shown below. Each year the pin is different.

It is very easy to become a Benefactor, if you consider donating \$22 a month, from now through next May. If you want to make it over 12 months, then it will be \$15 per month. You can write a monthly check to Torah Fund for that amount, OR, you can use a Torah Fund change collection box that we are happy to provide for you. Emptying your change, and collecting just \$7.50 per week will enable you to become a Benefactor this year!

***Rabbi Hillel said "Do not separate yourself from the community."
(Pirke Avot/Sayings of the Fathers 2:5).***

The Festival of Lights, Hanukkah, is the next holiday on the Jewish calendar and may it be a time of joy and light for you in every sense. Hanukkah is a joyous time for our community to celebrate. The holiday of Hanukkah will soon be enjoyed and felt throughout our Preschool. Our halls will be decorated with Hanukkah decorations. Our classrooms will depict

Hanukkah scenes, holidays, and customs of Hanukkah. The feeling of the holiday will be in the air and permeate our students with a great joy and sense of Jewish pride and identity. The classrooms will smell like latkas and dreidels will be spinning.

I would like to thank our wonderful PTO presidents and their committee who work tirelessly for our school. They will help create a beautiful Hanukkah atmosphere enhanced with their Hanukkah gift shop. The children will be having their Hanukkah Show along with their Hanukkah party.

Our ShabbatTot Together Saturday program on December 14th will provide a Hanukkah and Shabbat experience. This program is open to the community including our lunch that follows the children's service.

Our ECEC preschool is flourishing and we have record numbers in over a decade of children enrolled. Our Kehillah is growing and so is our programs that we are providing for you to all enjoy.

Remember, You Belong Here!

B'Shalom,

Although Religious School has been intermittent throughout the past, teachers and students definitely made up for it when we resumed.

Kehillah Club had over 25 applicants of students between 3rd Grade and 7th Grade who want to make our community better. On **November 5th** Rabbi Watstein spoke to the students about the importance of what they volunteered for, more importantly he explained what it says about them that they are seeking opportunities to participate in acts of chesed. The first event was the Harvest Drive which took place on **Monday, November 25th**. Students prepared for this by collecting hygiene products and lightly used toys to be donated to those in need. This is an annual event for Kehillah Club and it culminates in our visiting Western High School with others from all over the area and together we pack hundreds of bags for the community. In December the group will be partnering with the Surfrider Foundation and working outdoors to clean up Dania Beach. It really is so inspiring to see such a great group of motivated kids.

On **November 17th** students enjoyed B'nai Aviv's very first Yom Camp. This was a day of camp fun during the winter months to re-enforce to kids the importance of a Jewish camp experience. Many people use summer as an opportunity to take a break from their Jewish life, but it is more enduring lesson for children to combine Judaism with their summer activities. Camp Ramah visited and Rachel Dobbs Schwartz, Assistant Director, led the different ages in engaging activities to give them the "camp experience". One example is Kindergarten through Second Grade which is doing a Shabbat unit learned about all of their senses, and how Havdallah incorporates all of them: the sight and sound of the Havdallah candle sizzling while it is burning, the smell of the b'samim or spices, the taste of the grape juice from the Kiddush cup.

The week-end of **November 22nd** was an extremely busy one. It was kicked off by our first student led Shabbat service of the year. The Fourth through Seventh Graders allowed the Rabbi and Cantor to have a little bit of a break as they took the reins of the Friday night service and delivered a very memorable d'var torah.

The following **Saturday, November 23**, Shabbos Squad was held for Kindergarten - High Schoolers. This month the parsha was Chayei Sarah. The very creative Emma Grungold, integrated questions throughout the service to see if any of the participants were worthy to join Abraham's family, to simulate how Eliezar tested Rebecca.

On **December 7th**, a new tradition began as part of our Shabbat Family Experience. For the first time ever B'nai Aviv is hosting a Havdallah Picnic in the Park. Families can bring dairy or pareve food and our Second Graders can bring their Shabbat boxes and together with the rest of the Religious School and Early Childhood Center we will have a Havdallah ceremony featuring their handmade ritual items.

Adult Education had a great start to their programming year, with our first Melton class on Jewish Medical Ethics. This month the class has discussed the various aspects of reproductive rights and care, from the position of the various movements and governments. Another first was B'nai Aviv's participation in the Global Day of Jewish Learning. Bruce Greenberg taught about Moses not being a man of words, but how he did communicate in his leadership of the Jewish people.

B'Shalom, Liz

November/December B'nai Mitzvahs

Mara and Jordyn Lustig were called to the Torah as B'nai Mitzvah on November 9th. We feel so blessed to have watched our two daughters become B'not Mitzvah together. Mara is an 8th grade gifted student at Falcon Cove. She has been part of the B'nai Aviv family for the past 12 years. She loves being active in Kadima and is currently serving as President of her chapter. She enjoys dancing, spending time with her friends and family and cooking. Jordyn is a 7th grade gifted student at Falcon Cove. She has been at B'nai Aviv all her life. She is a great athlete and currently plays volleyball on the Wildfire team. We are so proud of both of them and all of their accomplishments. They are wonderful role models for their younger brother Evan who is in 4th grade at Gator Run.

Amanda Margulies was called to the Torah as a Bat Mitzvah on November 16, 2019. Amanda celebrated this special day with her parents, Michael and Marisa Margulies, her grandparents Jeffrey and Judy Margulies, Abraham, and Lynn Laeser, as well as her Uncle Mark Margulies, and Aunt Eileen Broderson. Amanda is a seventh grade Principal's Honor Roll student at Falcon Cove Middle School. She has been a part of B'nai Aviv Sunday & Hebrew school since Kindergarten and actively participates in Kadima as a Vice President of the Youth Board of Directors. Outside of school, Amanda has been dancing at Dance Theatre of Broward since she was in elementary school. The Margulies Family would like to thank Rabbi Adam Watstein, Cantor William "Bill" Lieberman, and Ritual Director Sol Hettana for their support and preparing Amanda for this special day. We are so proud of Amanda for her hard work and dedication in preparation for her Bat Mitzvah day. We love you and Mazel Tov to Amanda!

Hannah Grace Birke was called to the Torah as a Bat Mitzvah on December 7, 2019. Hannah celebrated this special day with her parents, Karen and David, and her brother, Jacob. She will also be surrounded by family and friends coming from near and far to share in this simcha. Hannah has attended B'nai Aviv since she was 20 months old and currently sits on the Board of Kadima. She attends Falcon Cove Middle School. For her Mitzvah project Hannah organized a beach clean-up to reflect her passion for environmental issues and her love of science. We would like to thank Sol Hettana, Cantor Lieberman and Rabbi Watstein for their guidance and support throughout Hannah's preparation. We are so proud of our beautiful daughter and the young woman she is becoming! Mazel Tov, Sweet Girl! We love you!

Zoe Marin Horwitz was called to the Torah as a Bat Mitzvah on November 2, 2019. Zoe celebrated her special day with her parents, Jamie and Grant Horwitz, her sister, Ella Horwitz, grandparents Donna and Michael Chaben and Linda and Steve Horwitz, and many friends and family from near and far. Zoe is a seventh grade honor student at Falcon Cove Middle School. In her free time, she plays lacrosse, flag football, and spends her summers at sleepaway camp in New York. For her mitzvah project, she raised money for Food Allergy Research and Education (FARE), an organization that helps improve the quality of life and the health of individuals with food allergies, and is close to her heart given her many food allergies. We are so proud of Zoe for the determined and kind young lady she has become and for this accomplishment. We love you, Zoe, and Mazel Tov!

We are so excited for all the upcoming youth events. However, we would be remiss not to share all the successes we've had so far this year. The youth department recently held its Dueling Pianos event and it was a huge success. Everyone who attended had an amazing time. Thank you to our entire committee, co-chairs, and sponsors for making this one of the best fundraisers.

USY also attended their sub-regional convention. They had a great weekend and many great friendships were made. On **November 6th**, USY and 8-12th grade teens attended the first of four #ChooseJewish sessions with Rabbi Watstein. This was a huge success and we received wonderful feedback. We are looking forward to the next one on **December 11th**.

December 13th-15th, B'nai Aviv Kadima will be hosting the annual Kadima Convention. We are looking forward to an amazing weekend. All the different Kadima groups from around South Florida will be here and we look forward to making many new friends.

On **December 20th**, we will be hosting a College Shabbat Dinner for our B'nai Aviv students and past B'nai Aviv USYers. Join us for this special night. Dinner is free with reservations.

The annual USY International convention is headed to Southern California and that's sure to be a treat. We are looking forward to beautiful weather and fun times with USYers from around the USA and beyond.

Get ready! Chapter Retreat applications will be coming out very soon so watch your emails and the youth website for details. This year, Retreat is combined with Disney's Magic Kingdom. From the desk of... Joe Schimmel, Ritual V.P.

December is one of my favorite months. Kids come home from college or have a few weeks off from school. Unlike summer vacation, when my kids disappear for camp or travel, I have them at home and can spend quality time with them at a park, a movie, or SYNAGOGUE.

We have three B'nai Mitzvah this month. I love hearing our young people read Torah and Haftarah; it never gets old. If you aren't a Shabbat morning regular, you may not know that many B'nai Mitzvah have one or more parents and siblings reading a Torah portion. But of course, Torah is read every Shabbat (usually by our Ritual Director, Sol Hettena), as well as Monday and Thursday.

B'nai Aviv is on the triennial cycle – we read the same portions every three years. So if you read Torah three years ago at your child's Bar Mitzvah or Bat Mitzvah (or at your own), we would love to have you come back for an encore.

When we have a Bar Mitzvah or Bat Mitzvah, we frequently have a number of guests who haven't been to services at a Conservative synagogue before. If you would be willing to serve as an usher or greeter – particularly on Saturday morning – it would be a great help to us.

Please contact Sol Hettena in the synagogue office for details on reading Torah, ushering, or other ways you can participate. Or contact me.

YOUTH SCHOLARSHIP FUND

In Honor Of

Heather & Joseph Schimmel from Rochelle Lipson

"Charity is a form of prayer, a preliminary to prayer. With its combination of charity and justice, its understanding of the psychological as well as material dimensions of poverty, and its aim of restoring dignity and independence, not just meeting needs, tzedakah is a unique institution. Deeply humanitarian, it could not exist without the essentially religious concepts of divine ownership and social covenant. To know God is to act with justice and compassion, to recognise his image in other people, and to hear the silent cry of those in need."

Rabbi Lord Jonathan Sacks
