THE VOICE OF B'NAI AVIV

קול בני אביב

*From the desk of Rich Cohen,
B'nai Aviv President*

I often walk through the hallways of B'nai Aviv and am marveled by the diversity of activities taking place in every corner of our building every day. Whether it be in the early morning with our Minyanaires congregating so that a minyan is assembled to allow people who need to say Kaddish fulfill their obligation to partaking in Rambam with the Rabbi to advance their understanding of Torah. I see the bright faces of our ECEC children being dropped off for their daily adventures exploring their worlds and being exposed to our rich Jewish traditions. I see our Religious School students who gather to learn the Hebrew language and Tefillah, all while chatting about their latest Kadima or

USY adventures. I watch with renewed enthusiasm as parents listen to their children prepare with the Cantor and other professionals for their B'nai Mitzvahs, all with the eager anticipation of seeing their child reach this milestone and balancing the sudden arrival of friends and relatives and the logistics involved in a simcha. I see the engaging discourse during Torah Talk and embrace with awe the collegiality of our Sisterhood, Men's Club and Hazak. I focus in on the committee meetings taking place with spirited discussions to ensure that our Kehillah remains focused on our mission. I savor the embrace of our Shabbat services where everyone is welcomed and a stranger once shall never be a stranger again.

During a recent presentation at our Yom Hashoah remembrance, the guest speaker announced that B'nai Aviv was the warmest and friendliest synagogue she had ever attended. That is what we want and that is what we desire. We are a community of like-minded people. We are all Jews who need to advance the interests of each other, help each other and remain stronger than ever. When we say Hazak Hazak Ve-Nit'Hazek we mean it. Be strong, be strong and be strengthened.

I look forward to helping you strengthen our Kehillah for this and future generations. Remember, You belong here!

What's the skinny on Shavuot...

The Torah was given by G_d to the Jewish people on Mount Sinai more than 3300 years ago. Every year on the holiday of Shavuot we renew our acceptance of this gift. The giving of the Torah was a far-reaching spiritual event; one that touched the essence of the Jewish soul for all times. Our sages have compared it to a wedding between G_d and the Jewish people. Shavuot also means "oaths," for on this day G_d swore eternal devotion to us, and we in turn pledged everlasting loyalty to Him.

From the desk of... **Mindy Bernstein, ECEC Director**

Another school year is coming to a close and I'd like to once again, thank all of you from the bottom of my heart for making this year another growing, successful year for all of us. Our achievements extend from our academics with new curriculum to the numerous fun and fundraising programs of our dedicated ECEC Staff and PTO.

I wish I could put this year in a time capsule and save it for when the children are older. They would better understand the significance of this year they just completed nine months ago when they walked into this place called B'nai Aviv Early Childhood Education Center.

In our time together, the children learned what it meant to sit in a circle, walk in a line, hold a pencil, use scissors, zip up their clothes, and be part of a group. Many of them learned how to read, became mathematicians, scientists, inquirers, and more. They learned what it meant to be a friend, played with others, took turns, worked through problems, and practiced patience.

I know that much of this year will fade from your memories with the passage of time but the time spent at B'nai Aviv ECEC will forever impact them. Where they start does help them finish!

When I see another graduating class of Pre-kindergarten and remember their first days with us it is always humbling to be a witness to their development. Your children have made connections for life and there is a real bond and connection with the friends they have made here.

Registration for fall 2018/2019 is now taking place. Don't miss out on ensuring your child has a spot, as registrations are coming in very quickly. As we move beyond the 2017/2018 school year, I hope everyone has a fantastic summer. We hope we will be seeing most of you here at our outstanding Camp B'nai Aviv.

B'Shalom, Mindy

From the desk of Eliot Tillinger... Religious School Director

- ◆ Our last day of Sunday Religious School was Sunday, May 6th.
- ◆ Our last day of Tuesday Religious School will be Tuesday, May 15th.

In April, we celebrated Yom HaAtzmaut by welcoming into our religious school an Israeli team of teenagers along with an Israeli Army Captain. Our special guests demonstrated several of the various training methods practiced by young Israeli soldiers. Our students had an incredible time following the captain's exercises and interactively learning about being a young citizen growing up in Israel today. The Israeli teenagers conveyed to our students that they too enjoy many of the same music, sports, movies and free time as their Jewish American counterparts.

Planned events scheduled for May include our 6th grade Siyum, a culminating celebration for the first phase of our 6th graders working toward their Bar and Bat Mitzvah preparations alongside our amazing and inspiring Cantor Lieberman. Our matriculating Pre-K ECEC students will visit our Kindergarten classroom so they can experience first-hand all of the rewarding benefits of being part of a dynamic religious school environment.

Our students have experienced a rewarding and memorable school year. The unwavering devotion and dedication of our religious school faculty and staff is appreciated and admirable. Our students accomplished so many lessons this year: they learned about Tefillah, our people's history, celebrated holidays, made hand-baked Hamantaschen and worked on mitzvah projects focusing on Tikkun Olam, just to name a few. Our intermediate students connected directly with our partner Israeli classrooms live via our installed technology. Although native languages were not the same, the common bond and connections were clearly present during every live session between Israel and the United States.

As the summer break quickly approaches, students have so many plans for well-deserved rest and fun. Use the opportunity during down time to maintain acquired skills by reinforcing lessons from religious school. Take a few moments each week to read and share topics with your children. It will not only strengthen your child's knowledge, it will strengthen the parent/child bond between you!

On behalf of the entire religious school faculty and staff, I wish all our families a safe, relaxing and enjoyable summer break!

B'Shalom, Eliot

.... Youth Director

Hey folks,

We are winding down the youth year and I can honestly say that it's been truly amazing. B'nai Aviv USY and Kadima have won awards, have newly elected Sub-Regional and Regional officers, and made many friendships and memories to last a lifetime.

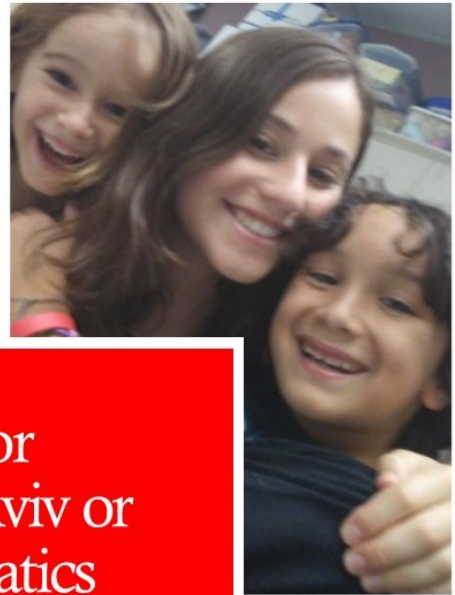

In May, our Chapter will be electing its new officers for the 2018-2019 year and we are excited for all kids running. May 16th is our Dr. Seuss themed end of the year banquet. It will be a great night. Be sure to reserve space for the entire family.

We are the only youth groups around that offer weekly summer evening programs. Watch your email and mail for a full schedule of programming for USY and Kadima all summer long. For more information regarding any of our youth programs, please contact me at Todd@bnaiviv.org or visit our youth website at www.bausybees.com.

May B'nai Mitzvahs

Ayden Kostzer will be called to the Torah as a Bat Mitzvah on May 12, 2018. Ayden will be celebrating this simcha with her sister Addisyn Kostzer, parents Diego and Erica Kostzer, Grandparents Itzik and June Bitton, and Fernando Kostzer, along with aunts, uncles, cousins and extended family and friends from near and far. Ayden's Judaic studies began in kindergarten while attending B'nai Aviv religious school. Ayden has a passion for Jewish learning, tradition, and culture that is deeply rooted to her family and travels to Israel, and looks forward to returning to Israel this summer. Ayden is also an active member of B'nai Aviv's youth department. As a BAUSY Bee, Ayden loved attending the many great programs in Chalutzim, and continues to be an active member of Kadima attending weekly programs, retreats, and sub regional conventions. The friendships Ayden

has made while being a member of B'nai Aviv's youth department are friendships that Ayden holds dear to her heart, and will carry with her throughout her life. We would like to thank Rabbi Watstein, Cantor Bill, Sol Hettana, Mr. Tillinger, Todd Morchelles, and the many amazing religious school teachers and youth group advisors that have helped Ayden reach this milestone. Ayden we love you with all our hearts, Mazel Tov!

Benjamin Ari Wise will be called to the Torah as a Bar Mitzvah on May 12, 2018. Benji is a 7th grade student at David Posnack Jewish Day School, where he enjoys all his studies, but especially Photography and Art. For his Bar Mitzvah project, Benji has been delivering Publix gift cards to Holocaust survivors through the Goodman Jewish Family Services Holocaust Survivors Assistance program. He has been touched by bringing Survivors financial help, as well as smiles and friendship. Benji has been committed to learning about the Holocaust so that he can teach others. Through Remember Us, Benji is honoring the memory of four-year-old David Grossman, who died in the Holocaust and was not able to become a Bar Mitzvah. Benji attends Shabbat services regularly at B'nai Aviv. He feels that his time there has helped to shape his Jewish identity. Benji and his family would like to sincerely thank Rabbi Watstein, Cantor Bill, Laurie Kandel, and Sol Hettana for their valuable time spent preparing the whole Wise Family for this milestone. The Wises look forward to many more years of learning with the B'nai Aviv kehillah.
