November B'nai Mitzvahs

Jaclyn Estelle Koran is being called to the Torah as a Bat Mitzvah on November 5 2016.

Jaclyn will be sharing this special day with her parents, Veronica and Barry Koran, her sister Alexandra; and the rest of her family and friends.

Jaclyn began her Jewish education in 3rd grade at B'nai Aviv and has always been proud of her Jewish heritage. Jaclyn has entered the 7th grade at Tequesta Trace Middle School and was accepted in the Cambridge Program which she has worked hard to maintain excellent grades.

In her spare time, Jaclyn loves the outdoors and playing sports, her favorite being soccer.

We would like to thank Mrs. Lomnitzer who introduced and tutored Jaclyn as she began her Jewish education; and special thanks to Rabbi Watstein, Hazzan Lieberman, and Laurie Kandel in preparation of becoming a Bat Mitzvah. All of us are very proud of you, Jaclyn as you continue to grow into such a beautiful young lady and realize this is just the beginning of an incredible journey for you. We love you!

Hanna Rebecca Stockel will be called to the Torah as a Bat Mitzvah on November 5, 2016. She will be sharing this special day with her parents Michele & Eric; her sister Bari; and her grandparents Susan & Don Schaevitz, Adrienne & Ken Stockel and Rose & Meir Rapaport, as well as other family and friends who traveled near and far to celebrate this simcha. Hanna has been a part of B'nai Aviv since preschool. She is currently enrolled in the gifted program at Falcon Cove Middle School and is a member of the National Junior Honor Society. Extracurricularly, Hanna is a gymnast and is also a Falcon Cove Middle School Cheerleader.

For her Mitzvah Project, Hanna created "Chocolate for Cancer" to raise money for the American Cancer Society because, like many other families, members of her own family have struggled with and continue to fight against various forms of cancer. Hanna created a personal fundraising page (<http://main.acse7vents.org/goto/ChocolateforCancer>) where people donated directly to the American Cancer Society, and also sold individual chocolate bars to her friends and family because studies show that chocolate (especially dark chocolate) can lower the risk of many types of cancers. She far exceeded her fund raising goals.

We could not be more proud of all of Hanna's accomplishments. Mazel Tov and we love you!

Alex Silver will be called to the Torah as a Bar Mitzvah on November 12, 2016. Alex will be celebrating this special day with his parents, Stacy and Scott Silver, his sister, Rayna, grandparents Leslie and Stephen Horowitz and Renee and Stephen Silver along with family and friends from near and far. Alex is an 8th grade Honors Student at NSU University School where he participates in the Theatre, Thespian and Speech and Debate programs as well as being the Co-Chair of Wellness Enterprises. He is passionate about South Florida sports especially the University of Miami Hurricanes and goes to as many games as he can every season. For his mitzvah project, Alex has participated the last two years in the FARE Walk to raise money and awareness for food allergies, from which he suffers. We would like to thank the Rabbi, Sol and especially Cantor Lieberman for his help and guidance during this process. We are so proud of all Alex has accomplished with his hard work and preparation for today. Mazel Tov!

Jared Michael Gavsie will be called to the Torah as a Bar Mitzvah on November 19, 2016. He will be sharing this beautiful simcha with his parents, Cherie and Brian Gavsie, his older brother Joshua and his younger sister Rachel, as well as his loving grandparents, aunts, uncles, cousins and dear friends.

Jared is an exceptional 7th grade student at Tequesta Trace Middle School. In addition to the Gifted Program, Jared is enrolled in the Cambridge International School Program. Jared loves sports and video games. Most of all, Jared enjoys spending time with his friends and loves his summers at Camp Walden in New York. Jared's altruistic tendency to focus on the welfare of others developed at an early age. As a part of his mitzvah project, Jared swam laps to raise money for youth in underserved communities. He has also read stories to children with disabilities, including autism. He was an active member in the Kehilla Club for 3 years. Jared has a big heart and he shares it with those less fortunate in his community. Jared takes great pride in his Jewish heritage and B'nai Aviv, his second home. He serves on the Kadima board as the Religious/Education Vice President. Our family sincerely thanks Sol Hettena, Rabbi Adam, Cantor Bill and all of Jared's ECEC and religious school teachers, all of whom who have helped us reach this momentous day. We are so crazy proud of you Jared...we love you always & forever. Mazel Tov !

From the desk of...

Live Judaism, experience Judaism

As Jewish Early childhood educators, we integrate Judaism in our daily life of school, because we believe that this is the only way we will build a strong foundation of Jewish identity.

Through hands on experiences, the joy of our songs and rhythms, the rich environment set in our classrooms, we navigated a beautiful October, a full month of Jewish Holidays.

Holidays is just a part of our curriculum. For us the richness of the Jewish heritage is so vast that working on Jewish values, the parashat of the week, Hebrew vocabulary, blessings, the connection with Israel, all are integrated in our school.

Jewish identity starts from the very beginning... at birth. It is our responsibility to expand, enhance this identity with lifelong learning activities that not only teach our children about their heritage but also ensure the future of our future generations.. Happy Jewish Learning @ B'nai Aviv!!

From the desk of Eliot Tillinger...

Religious School Director

The High Holidays provided an opportunity for our religious school classrooms to participate in enriched lessons that are life impacting. From all of the obvious meanings to the rich practices of observance, our students were immersed in age appropriate lessons, designed to provide meaningful experiences, both in the classrooms and Junior Congregation services. Most recently, Sukkot was celebrated both in the classrooms and inside our beautiful synagogue Sukkah. Several hundred enthusiastic students and their families attended Simchat Torah services for an incredible night of dancing with the Torahs while being inspiringly led by Rabbi Watstein and Cantor Lieberman.

The infusion of our new computer technology has notably enhanced our classroom lessons and students' learning. Now, when a teacher refers to a site in Jerusalem, live camera images of the holy city can be instantly displayed, bringing real time images to life as well as strengthening Hebrew lessons in an interactive format. As we approach the coming months, we excitedly look

forward to continuing our digital communications with Jewish schools in Israel. Many of our students exchanged hand made Rosh Hashanah cards with similar age students in Jerusalem. We are fortunate to live in an age where communication between students across the globe, is easily achieved through the use of our new technology.

Our religious school faculty will soon attend the annual Jewish Educators' Conference, where our teachers will return with additional curriculum enhancements to our students' classrooms. Students will always achieve greater heights when lessons taught in school are reinforced at home by reading and practicing learned lessons for at least 15 minutes several times a week. Please ask your children what they discussed and learned from the day's lessons; it not only strengthens their knowledge, it provides opportunities for family bonding while bringing their learned Hebrew and Judaic lessons into the home.

B' Shalom, Eliot Tillinger

FROM THE DESK OF...

LANEE FRIEDEL, SISTERHOOD PRESIDENT

By the time you are reading this, we will have completed a most successful Women as Warriors program! A huge “Thank You” to chairperson Amy Goldin and her committee members, Esther Cohen, Arlene Levy and Mindy Libes. Their hard work and creativity made for an educational and fun evening and taught the women and girls of B’nai Aviv many valuable lessons about defending ourselves in precarious situations.

Please plan to join us for Services on Friday evening November 11 and/or Saturday morning, November 12, for Sisterhood Shabbat. We will be honoring many members of Sisterhood for their dedication to our shul and to the tenants of Judaism, as they participate in various aspects of the Shabbat services. A B’nai Aviv Congregational Shabbat Dinner is also being held this same Friday evening and we will continue the celebration of our Sisterhood ladies as we enjoy a delicious Shabbat meal together. (See Shabbat Dinner flyer in this news-

letter, for registration information).

We are well into the planning for our next Sisterhood Progressive Dinner event, to be held on Saturday evening, January 14th. Chairwomen Dana Isbitts and Lisa Rosenberg are working hard to ensure that this event is as hugely successful as it has been in all years past. Please mark the date on your calendar and look for additional information as time gets closer.

Look for more Sisterhood financed B’nai Aviv renovations in the near future! Through our very successful High Holiday Card fundraiser this year (thank you to Bonnie Salmon, Debbie Green and Ellen Schorr and their committee!), we raised enough money to renovate the “dairy kitchen”. And, we are about to start the work to overhaul the “bridal room” any week now, due to a very successful fundraising year last year. Your Sisterhood is working for the betterment of B’nai Aviv, as you can plainly see.

Don’t forget about patronizing our Gift Shop (contact Angie Watstein for special orders and questions) and to support our Torah Fund efforts (Jill Andron, chairperson). We hope to be holding a Torah Fund event early in 2017, so look for details soon.

Your ideas and participation in Sisterhood is encouraged and welcomed. Any meeting is open to any interested B’nai Aviv woman. Please contact me and I will get you involved!

Regards,

Lanee Friedel

We rely on our synagogue members, their friends and families to let us know when someone is hospitalized, suffering any illness or bereavement.

The clergy would also like to hear the good news, such as celebrating a birth, graduation, special anniversary or birthday, promotion, honor, or any other simcha.

A central element to our class will be the customs and rituals of our families. Some Jews write the name "Haman" on the bottom of their shoe, and obliterate the name with every step. Some Sephardic Jews eat rice at Pesach. Some Greek Jews bake a honey-and-yogurt bread for Shavuot.

Please take a few moments to share your families stories with us; you can do this by phone (954-610-5954) or email (louisejfl@gmail.com). The more stories we have the more fascinating our discussions will be.
