CBSW would like to promote student involvement in the URJ Greene Family Camp. Studies suggest that children who go to Jewish camps come home with a much stronger sense of their Jewish selves. GFC is one of twelve summer camp institutes owned by the Union for Reform Judaism. Our regional GFC programs provide an unforgettable religious, cultural, recreational and emotional experience for all ages. GFC is a state-of-the-art facility and located 3 hours drive from The Woodlands (90 miles North of Austin) on more than 160 beautiful spacious acres. Since 1976, GFC has served all of the Reform congregations of Texas and Oklahoma.
