Some Passover Humor

This week, as we prepare for the festival of Passover, I'd like to share some light Passover humor that I've collected from different sources on the web. Enjoy!

- 1) Technically, Moses was the first person with a tablet downloading data from the cloud
- 2) Passover is coming soon, don't be in de Nile
- 3) As an FYI, typing in "chametz" in Google does not quality as searching for chametz
- 4) How does Moses make coffee? Hebrews it
- 5) Unlike the other children, young Moses never knew the pleasure of joyfully jumping into a springtime puzzle (because it always split in two)
- 6) The Four Questions of the Seder: Can we eat? When do we eat? Do we eat now? Will we ever eat?
- 7) Which army base is off limits during Passover? Fort Leavenworth
- 8) Why did the matzah quit its job? Because it didn't get a raise
- 9) Why do we have a Haggadah at Passover? So we can Seder right words
- 10) How is a good sermon like a piece of matzah? They both should take less than 18 minutes

Chag Sameich! Happy Passover!
