

Kroger Plus Donations to TKE

Did you know that you can direct Kroger to donate a portion of your Kroger spend to the TKE Religious School if you are a Kroger-Plus member? Since the TKE Religious School is underwritten by TKE, this donation helps TKE's financial bottom line. What's best is that there's no cost to you! Here's how to have your Kroger spend help the TKE Religious School:

- a. Login to your Kroger account either in the mobile app or on the web at <https://www.kroger.com/i/community/community-rewards>.
- b. Navigate to Community Rewards:
 - i. In the **Kroger mobile app**, touch the "hamburger" menu (the 3 parallel lines in the upper right) the touch Rewards and then touch Community Rewards.
 - ii. **On the web**, click on your name in the upper right and a drop-down will appear. From the drop-down, click My Account. Next click on Community Rewards.
- c. Once at Community Rewards you can see the assigned school. To specify TKE's religious school you need to do a search. You can find the TKE Religious School by specifying either "FR542" (organization number) or "TEMPLE KOL EMETH RELIGIOUS SCHOOL" (name). Next select Temple Kol Emeth Religious School. Finally confirm your choice and you are all set.

If you are unsure of your Kroger Community Rewards profile, check the bottom of any Kroger receipt. As you can see the account for this receipt is signed up to donate to TKE's Religious School.
