

If you've logged in before, skip to the bottom of page 2.

If this is the first time you've logged in, you will be asked to accept the license agreement, so do that!

Next you will see a screen that looks like this where I've highlighted the link you must click to go to the Online Learning Center. Ignore the LogIn choice in upper right – you're already in!

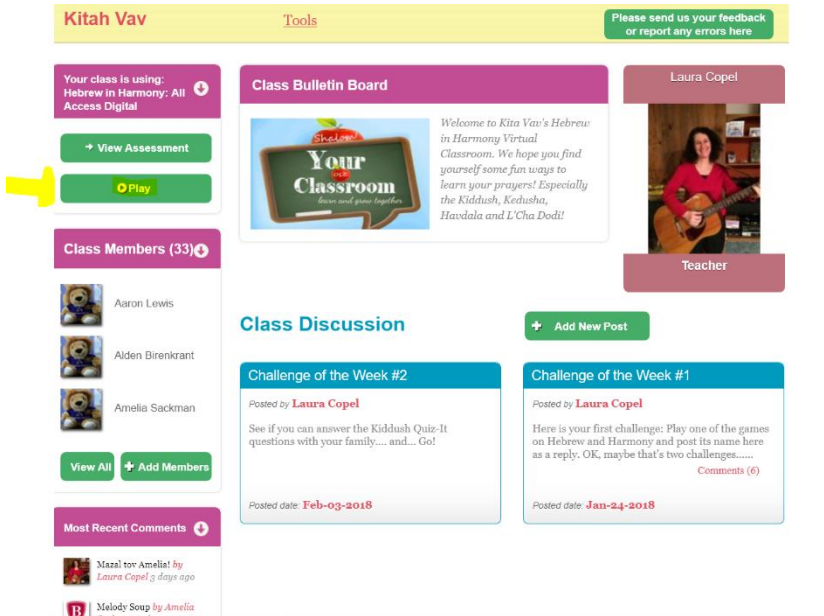

After you click the 'Online Learning Center' you'll see a screen where I've highlighted the arrow to click to enter the class. As teacher, my options are a little different.

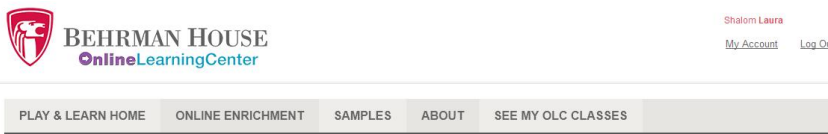

Any questions? Contact Laura Copel – COPELMUSIC@gmail.com

Once you've entered the class, you'll see this screen where I've highlighted the Hebrew in Harmony button on the left.

Click on the green Play button and skip to page 3.

Press the Hebrew in Harmony icon I've circled in red and skip to page 3

Eventually, you'll see the Hebrew in Harmony start screen where I've used a red pen to show the arrow to play the games and circled the Download Music option. For now, **choose the green play button**. You can Download the Music at any other time.

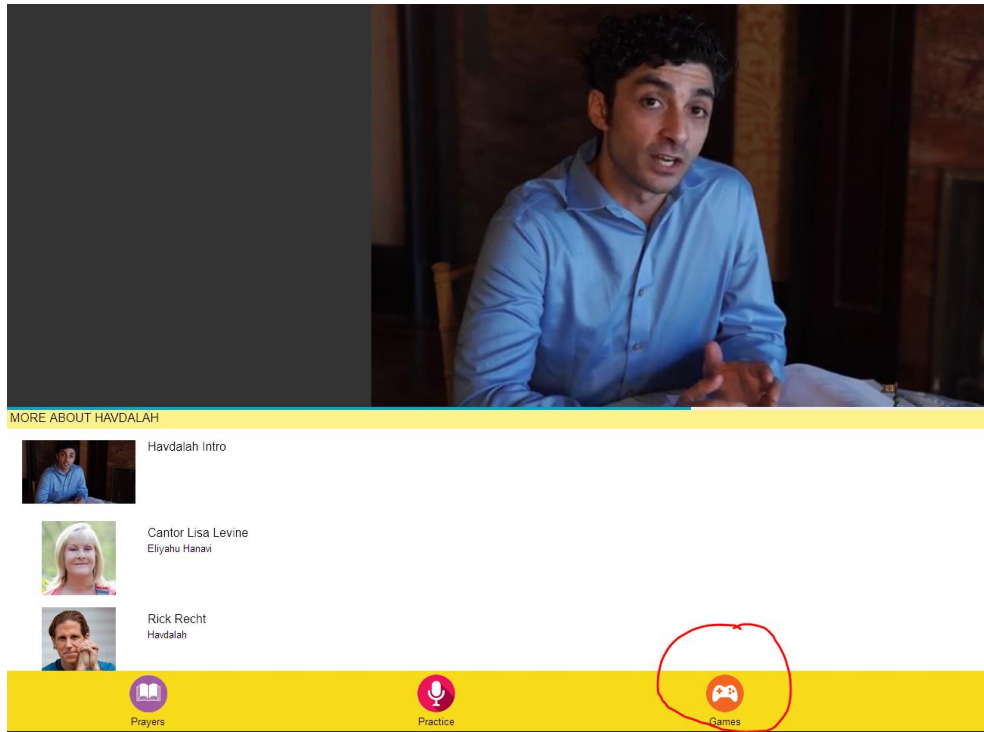

Once you've hit the play button, you will get a list of prayers to choose.

For the current lesson, please scroll down and choose Havdalah, **highlighted** in the screen below.

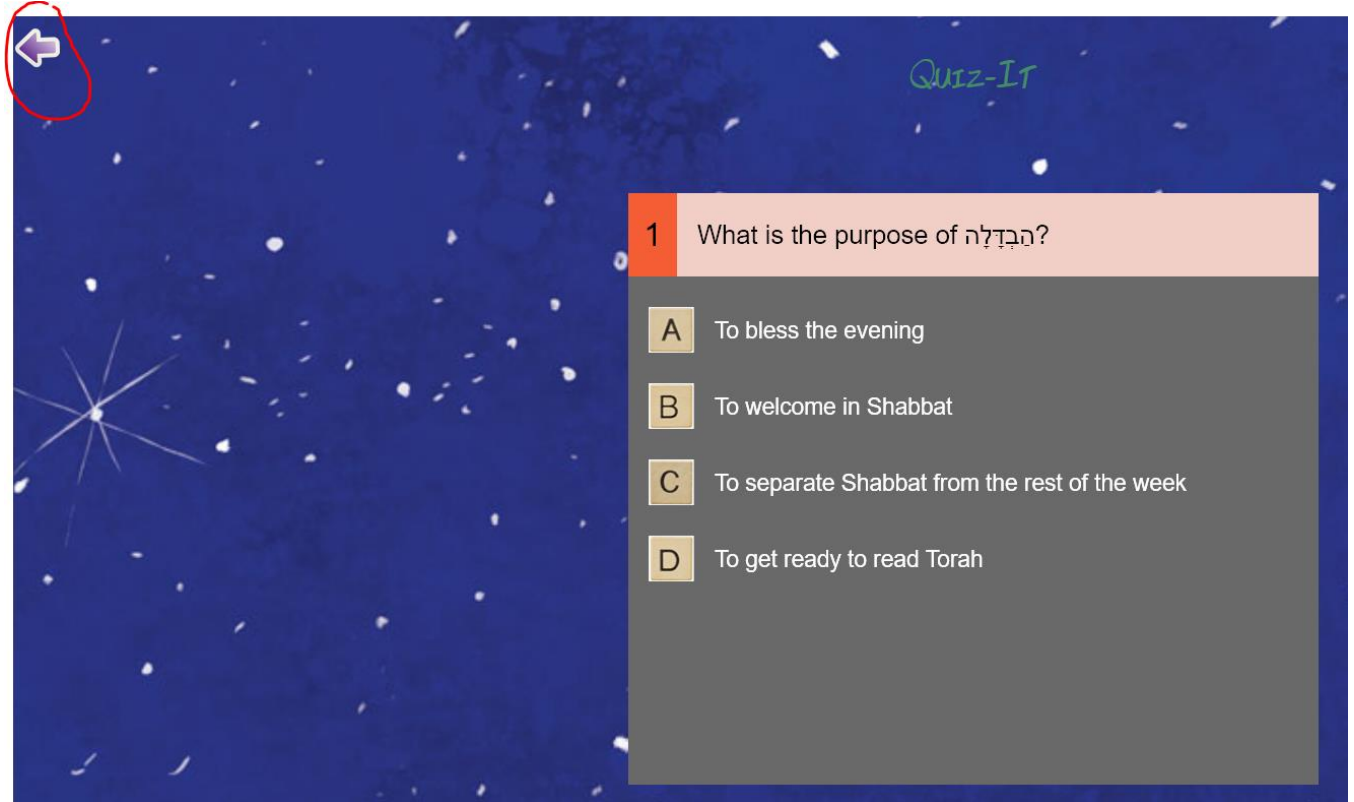

Once you've chosen Havdalah, you'll see the home screen for Havdalah - the introductory video starts automatically. There are lots of options to choose. I highlighted the games option.

Once you've clicked games you get these two options, Melody Soup and Quiz It. For now, choose Quiz It.

After you choose Quiz-It you'll get one question with multiple-answers.

Once you've chosen the correct answer, it will move to the next question for eight questions.

Use the left facing arrow at the top of the page, circled in red above, to exit the section. Once you've exited the section, I'll see that you played and your score. Hooray! Now you can go back and explore other options within the Havdalah or any other prayer!

You can even send an email to copelmusic@gmail.com to tell me you've done it!

THANKS SO MUCH
