

Dear Members,

On March 21, 2020, the Governor issued Executive Order 107. Part of the order states, "Gatherings of individuals, such as parties, celebrations, or other social events, are cancelled unless explicitly authorized by Executive Order 107. CDC guidance defines a gathering to include conferences, large meetings, parties, festivals, parades, concerts, sporting events, weddings, and other types of assemblies." That is why we will be doing virtual services. As of now our B'nai Mitzvah are postponed.

We do not know how long this will be our new normal, but as soon as we get updated information, we will then pass it on to you.

We will be doing virtual services. Rabbi Levy will be sending out information on how to do that. Although it won't be the same, I hope virtual services will help nourish our souls. I know I can use a little extra nourishment.

Remember, we the board, are there for you. Please do not hesitate to reach out. If you need to talk, my phone number is 908-812-8959. I am not available between 9am to 1pm, Monday through Friday. During that time I am "homeschooling" Robert.

Warm Regards,

Laura Steinberg
