

Yiskor Memorial Booklet

The High Holidays of the year 5781 will soon be upon us. Each year on Yom Kippur, a special time is set aside – the Yiskor Service – to remember our beloved departed. This year our service will be “Live Streamed” to you over Zoom and the Yiskor book will be sent out via email. Please make sure you include your email address below to receive your book and your access code for the service.

As part of our remembering, we prepare a special **Yiskor Memorial booklet** that will contain the names of our loved ones for our members and our guests.
