

Kehilat HaNahar Announces High Holiday Services

September 4, 2023

Join Kehilat HaNahar, the Little Shul by the River in New Hope, as we delve deeply into the Days of Awe, with multi-access High Holiday offerings and in-person family services.

Beginning on the evening of Friday, September 15, KHN will be holding services to mark the beginning of Rosh Hashana, the Jewish New Year. Rooted by our ancient and modern rituals and prayers and awakened by stirring melodies, we will gather to uplift each other as we encounter the year 5784 with buoyancy, rejuvenation, and grounds for hope and empowered participation in our lives.

All services for the High Holidays, which include Rosh Hashana and Yom Kippur, will be led by Rabbi Diana Miller and will include in-person participation (both indoor and outdoor) as well as Zoom access. Sermons will be delivered by Rabbi Diana and KHN member Julie Stockler.
