

FEBRUARY 1ST 2019 / 26TH SHEVAT 5779

Dear chevreh,

Whether you are entering Shabbat...

- relieved that the week is ending
- overwhelmed by responsibilities and caretaking
- grieving a loved one
- proud of something you accomplished this week
- healing, whether physically or emotionally
- alone
- surrounded by loved ones
- feeling alone, surrounded by others
- feeling surrounded by love, alone

...May you have a day of rest, peace and rejuvenation.

Shabbat shalom,

Rabbi Diana
