

BIJC – Covid-19 in-person guidelines as of 5/10/21

All persons planning to participate in a gathering, must comply with the requirements below.

For the in-person activities (Torah study and/or Shabbat service) on Saturday, May 15th, 2021, the main hall will be used. Windows, doors & fans will be operating (weather dependent) to create airflow.

Full Covid-19 vaccination is required for attendance. (If you have a medical condition requiring an exemption, please contact Rabbi Feldman directly to discuss). At this time, it is still required to maintain and follow all necessary precautions, including wearing of masks indoors and continuing social distancing.

Attendance at all gatherings shall be limited according to the County Risk Level. For the most updated information on county status, visit Blueprint for a Safer Economy.

RSVPs will be needed for attendance, this will include having your phone number. Please RSVP to Rabbi Feldman. rabbi@bnaiisrael.net. (A few additional spots will be held for those saying kaddish).

Remember that if you have any COVID-19-like symptoms (fever, cough, shortness of breath, chills, night sweats, sore throat, nausea, vomiting, diarrhea, tiredness, muscle or body aches, headaches, confusion, or loss of sense of taste/smell), should stay home. Anyone who develops COVID-19 within 48 hours after attending a gathering should notify the organizer of the gathering and/or other attendees as soon as possible.

Seating will be at least 6 feet of distance (in all directions—front-to-back and side-to-side) between different households. Face coverings can also be removed to meet urgent medical needs (for example, to use an asthma inhaler, take medication, or if feeling light-headed). Total time (Torah study & Service) will be approx. 2 hours. Please observe as much physical distancing as possible when entering/exit building, waiting to use the bathroom, etc. Bathrooms will be available, for single occupancy at a time (other than someone helping out a young child/someone who needs assistance). Bathrooms will be cleaned prior to Shabbat.

For now, eating or drinking will not be allowed.

All persons singing/chanting should wear a face covering at all times while engaging in those activities, and maintain physical distancing of more than 6 feet from others to further reduce risk.
