ATC Offers Two Passover Fundraisers

The week leading into Passover was quite busy for the ATC fundraising team. On the afternoon of Sunday, March 21, Vice President of Communications and Fundraising, Rob Yunich, and his wife, Elana Milstein, held their second cooking demonstration at ATC, hosting a Zoom event and posting four recipe videos on the synagogue's YouTube channel and website. The dishes included Wicked Good Baked Chicken, a potato *kugel* recipe that had been in Rob's family for many years, *Shakshuka* (an Israeli egg dish that is an homage to Elana's dad), and Passover Cin Cake. Recipes

from both cooking demonstrations can be found at [atorah.org/cooking-demo](https://www.atorah.org/cooking-demo).

The demonstration also included the raffling of a kosher for Passover dinner, which was won by Madeleine Lewis. Elana delivered a meal for four to her during *Chol HaMoed*. Finally, Katsiroubas Produce donated myriad vegetables for the demonstration.

On Thursday, March 25, ATC members had the opportunity to pick up a special Katsiroubas Cares Passover Produce Box from ATC. Fifteen percent of all sales supported the congregation. All baskets included a (very large) horseradish root for congregants' seder plates. The baskets also included red peppers, broccoli, green cabbage, garlic, zucchini, mushrooms, potatoes, apples, tomatoes, lemons, and strawberries.

The event was a success! Look for another special produce box coming soon!

Thoughts from our President

We Want YOU!

As I write my thoughts for our May Bulletin, we are all hoping that the vaccines will put an end to the pandemic sooner rather than later. And with an end in sight, we see a new, exciting Ahavath Torah

Congregation. We will

emerge from this with a refreshed state-of-the-art building. And with it, we will have a new environment that allows us to educate, pray, and celebrate lifecycle events in a way we only dreamed of before, by offering services in our sanctuary and from the convenience of live streaming.

This is an exciting time to be a member of ATC!

But we want and need you, our membership, to fill this wondrous building with love, laughter, and learning, still in a virtual state, for now, and limited in the near future, and in full operation later this year. Already, members of our community have come forward to volunteer their time and skills. But there is so much more that you can do.

This is the perfect time to get involved. This is a great time to plan, to dream and to give structure to ideas. It is the perfect time to add your name, your time, and your talent to an ATeam (I just thought of this name) or a board or a planned event at ATC.

Many people have asked me, "What can I do?" I tell them to match their skill set and their interests to something that is and will be happening at ATC. And the blessing of being

Yom Yerushalayim/Jerusalem Day

Celebrating the Heart of the Jewish People

In the year 70 CE, the Jewish people lost the heart of our nation: Jerusalem.

Our focal point and safe haven gone, we were scattered unto the nations. For thousands of years the singular hope of our ancestors was to regain Jerusalem and dwell again in Zion, as free men and women.

Three times a day Jewish people turned to Jerusalem to pray. Every Passover, each Seder ends with the declaration: "Next year in Jerusalem, rebuilt!" No Jewish wedding is complete without first declaring that Jerusalem comes first, above all other joys and commemorating the destruction of the Temple with the breaking of a glass.

In 1948, as soon as Israel declared independence, she was attacked by her Arab neighbors. Jordan conquered east Jerusalem, including the Old City and the Temple Mount. Under Jordanian occupation, Jewish residents of Jerusalem were forced out, half of the Old City's fifty-eight synagogues were demolished and the Jewish cemetery on the Mount of Olives was plundered for its tombstones, which were used as paving stones and building materials.

In 1967, the day of reckoning was upon Israel and, I would submit, the Jewish nation - the Six Day War. Before the war, Israel sent a message to King Hussein of Jordan saying that as long as the Jordanian front remained quiet, Israel would not attack Jerusalem or Judea and Samaria (also occupied by Jordan). Urged by Egyptian pressure and based on deceptive

intelligence reports, Jordan began shelling civilian locations in Israel to which Israel responded on June 6th by opening the eastern front. The following day, June 7, 1967 (28 Iyar 5727), Israel captured the Old City of Jerusalem.

A cry was shouted into the pages of history on that day when the Israeli army stated "The Temple Mount is in our hands!" Although the State of Israel declared her independence in 1948, this was the moment when the Jewish people fulfilled the yearning detailed in the national anthem, HaTikvah, to wit, "the 200 year hope, of being a free nation, in our land, Zion and Jerusalem."

Yom Yerushalayim, Jerusalem Day, the anniversary of the liberation and unification of Jerusalem under Jewish sovereignty is the commemoration of a 2000 year old dream, made a reality: Jerusalem and the Temple Mount at her center, the heart of our people, returned to the people.

Yom Yerushalayim falls on 28 Iyar, May 10 this year. Remember Jerusalem, cherish her as she is the heartbeat of the Jewish nation.

A special update:

For those who may not know, Michael Gaffney came to ATC for conversion lessons and culminated with his Bar Mitzvah. Michael was an outstanding student, and after his Bar Mitzvah, he taught our religious school students for 2 years. The following is a letter from his mother, Gina Garda

Hello Rabbi Jay and Arthur!

I am not sure how much Michael has kept you up to date on things, so just in case this proud mother wants to fill you in.

Michael was awarded the Jewish Leadership Scholarship at USC. It is such an amazing accomplishment as they only pick 2 kids each year. (71,000 kids applied, 8,000 were accepted, for reference)

I thought you would like to see what he wrote in his application, attached here. Rabbi J thank you so much for his wonderful letter of recommendation.

But that isn't all! Michael is also waitlisted at Harvard! (It is a nail biter!) As you can imagine, I would love to keep him East coast, and this is the one shot (he said there is the only school that would keep him from USC)

If he gets in, we wouldn't know until late May or even late June. It's a chance, but one we took with all we got!

I just want him to have every opportunity to fulfill his destiny, knowing he will succeed wherever he goes, and with some comfort knowing a greater power seems to be looking out for him in setting up great paths.

I send you both hugs and gratitude for all you have done to help share in raising Michael. You are essential to his journey and it would not have been the same without you.

With love,

Gina

Thoughts from our President (cont.)

an ATC'er (I just thought of this, too) is that there is literally something for everyone.

As we begin to plan our next Executive Board and Board of Directors, if would you be interested in becoming a Board or ATeam member or want to learn more about any ATeam (I like this name), I invite you to please contact Dr. Arthur Mallock, our Nominating Team Leader, who will be happy to answer your questions and point you in the right direction.

As we know, there are tons of opportunities at ATC. We are planning events once again, maybe these will be down the road, but Shabbat and holiday dinners (Watch for our Shavuot Pizza Parlor), Mah Jongg, Brotherhood and Sisterhood events, and partnering with Temple Beth Emunah for events will all return. And please don't feel limited by the above list. It's just a starting point. In creating a restaurant, I always tell the chef or owner that the menu is just a starting point. You can create more dishes just based on the ingredients listed on the menu! So, like a restaurant, if you have a great idea for our community, we can probably fit it into our menu. Just tell us and help us.

The light at the end of the tunnel is just ahead, and we have a new beginning as Temple Beth Emunah will begin moving to 1179 Central with more love, laughter, and learning. PLEASE mark your calendars for the weekend of August 22 to welcome TBE to 1179 Central. We have events to plan; beginning with High Holidays, then followed by speakers, musicians, authors, and FOOD to bring to our community. There are rummage sales, the August golf tournament, celebrations, fundraisers, festivals, concerts, and more to plan and attend. And let us not forget Bingo and the December annual Community Dinner, and Shabbat Across America in 2022. There are visiting rabbis to invite. There are religious celebrations

and Torah studies to experience. The sky is the limit, and we want your participation.

So, if you can see the light at the end of the tunnel, and if you can make the time, bring ideas, and your talent to give to our community, please sign up - let us hear from you. If you were part of a committee in the past, be part of an ATeam now. Together, we will fulfill Ahavath Torah Congregation's mission now and in a post-pandemic world: to embrace Jewish life through lifelong learning, spiritual growth, and community engagement.

We have time now to reflect, plan and organize. Soon, it will be our time to put it into action. With me staying on as President of Ahavath Torah for the next year, we want you to join with me be part of the ATeam too!

Rabbi Gerson South Area Religious School News

As the end of the school year approaches, I look back and realize how proud I am of our students, how much I appreciate their families, and I'm so grateful that this year was so successful. The children learned so much despite the fact that it was done virtually.

Their cooperation and interest in learning made this possible. I especially enjoyed their contributions and discussions with each other. They've grown so much in every way.

We met on May 2nd in the Social Hall. Parents and children sat with their families. We prayed together, Rabbi J and Rabbi Gouze addressed the guests and pre-ordered and individually ordered breakfasts were enjoyed. The children received well-deserved awards for their school and Minyan attendance and participation.

The students did a great job joining in the virtual Passover Seder and made us so proud as they led a Kabbalat Shabbat Service. They learned about *Yom HaShoah*, *Yom HaZicharon*, *Yom Haazmaut* and *Shavuot*. Prayers, Bible Study, Hebrew language and vocabulary, and history were also included.

We are in the process of planning for next year. We need to attract new students. If you know anyone who might be interested, please let me know and I'll forward the information to Bob Cohn, our membership chair.

I would also like to thank Rabbi J, Bob, Lesley, and Millie for all their help and support.

Thanks again to the families for their help and support.

Stay well. Have a wonderful summer.

Shalom.

B'NAI MITZVAH at AHAVATH TORAH

June 4, 2021

Eleven years ago, on June 4, 2010 Beverly Barbell, Paula Gaffin, Madeleine Lewis, Anne Leppo, and Barbara Tenenbaum were called to the Torah as B'not Mitzvah. These members were led by our Spiritual Leader, Rabbi J and guided by our patient teacher, Arthur Arkanase.

After several years of hard work and study, these students met their goal, and along with families, synagogue members, and friends proudly gathered in our sanctuary to share in their *simcha*.

It was so worth all the time, study, and practice to accomplish this Mitzvah.

In honor of eleven years, we invite our congregation, family, and friends to join with our class of 2010, on Friday June 4, Kabbalat Shabbat Service at 7:30 pm.

A wonderful thank you note and donation regarding our programming

As we are aware, planning for the High Holidays this year presents unique challenges and opportunities to provide the finest services to our members, family, and friends. In order to help us prepare for services, we will provide, in the month of May, a brief survey to determine our members' plans for Rosh Hashana and Yom Kippur. We are aware that these plans may need to change. Your response will help our Teams to formulate a plan that best serves our entire community.

When our survey is emailed, please remember, filling out the survey is in no way a commitment to attend (or be part of streaming) any part of the High Holiday services. More details and plans will be forthcoming as the holidays approach.
