From our President

L'Shana Tovah!

Welcome to a new year at ATC.

A new year and a new beginning for our congregation, one that I am very excited about.

And I can tell you there is a new energy. Have you noticed our new logos? A new look, for a new year! I'm sensing new energy in our school, as we begin a new year with GAN ATC, a new program for preschoolers, held monthly and led by Deb Ron and Marilyn Rabinovitz.

And we have a very energized leadership developing programs to attract young Jewish families with Young Family Shabbats and family events.

Our hope is that the energy and "buzz" we are generating will help us attract new members. Growth in membership is our #1 priority. We want to see ATC thrive and one sign of a healthy, thriving community is growth in numbers. And the reality is that to continue to provide the level of services that our community is looking for, and to ensure the future stability of our congregation, we need to be a little larger than we are now.

As a congregation, we recognize that growth is a challenge in an environment where church and synagogue affiliation has declined nationwide.

We need to do a better job of getting our story out and letting people know that we are here. With everyone's efforts, I hope a year from now, your new President will be pleased to report that ATC will have a net growth in membership, for the first time in many years.

Through the hard work of our Membership and Communications Teams - we are promoting the synagogue through social media - Facebook, Instagram, Twitter, and of course Pickleball.

We need everyone at ATC to be an Ambassador. It's so easy. Like us on Facebook. Join our Facebook group. Re-post our postings to your own Facebook page. If you take a picture at ATC that you can share, send it to us and we'll post it.

As our energy continues, we are in our High Holiday Season. Services will begin in just a few days, led by Rabbi J and Hazzan Dan Bauman. A huge shout out to our High Holiday Teams, for their tremendous work to provide our members with the best services, whether in shul or live stream.

Apples and Honey

We all know the song:

Dip the apple in the honey

Make a Brachah loud and clear,

Shana Tova u'Metukah

Have a happy, sweet new year.

Reb Tzadok HaKohen of Lublin unveils profound meaning hidden within this cherished, age-old custom of dipping the apple in honey.

When our forebears eagerly accepted the Torah at Sinai, they used the words, *Na'aseh v'Nishma* - We shall do, and we shall understand/listen. This revolutionary statement earned them an eternal, intimate relationship with G-d.

Its message is clear. In order to truly understand, one must first do. To theorize Judaism without actually experiencing it is like trying to explain colors to a blind person. Mere words cannot do justice.

"Taste and see that G-d is good", we read in Psalms 34:9. To genuinely appreciate the Torah for what it is, one must sink one's teeth into it. Only then can one relish the fine cuisine for what it truly is.

The apple represents the willingness to do even before one understands. "Why are the Jewish people compared to an apple? To teach us the following. Just as regarding the apple, the fruit comes before the leaves, so too, the Jewish

people said *Na'aseh* ahead of *Nishma*" (Tractate Shabbat 88a). Judaism is a study in spontaneity (See *ibid.*). One must take a leap of action before one can hope to esteem.

Only then can we experience the Torah's special sweetness as expressed so wonderfully by the Psalmist "sweeter than honey, and drippings from the combs (Psalm 19:11)." When *Nishma* - the need to understand - is preceded by *Na'aseh* - the unconditional fulfillment of *mitzvot* - the most delicious nectar imaginable is produced. When *Na'aseh* is contingent upon a prerequisite *Nishma*, when a person insists on understanding before acting, he will always be left with blandness; no apple, no honey, no taste.

This is our goal on Rosh HaShanah. By proclaiming G-d our King (the leitmotif expressed throughout the liturgy), by completely subjugating our selves to Him, we hereby accept unconditionally any decrees He may wish to enact. The resultant radiance is the most brilliant of lights, the most profound of joys.

"Light is sown for the righteous, and for the upright of heart, joy"(Psalm 97:11).

From my family to yours, a *K'tiva v'Chtsima Tova!*

From our President (continued)

And please tell your friends and family members about ATC. Invite them to an event or a service. Most of the people reading this message first heard about ATC through word of mouth.

Of course, the future of our congregation depends on the willingness of all of you to step forward and pitch in. This is the time of year when I remind you of the many ways you can get involved, both big and small. Whatever your interest, there is a team or a project or an event to help with. All of our Teams do important work that benefit our ATC community. I want to thank the members of the Board, and all of our Teams and volunteers who make ATC the wonderful, vibrant community that it is.

Let us know how you would like to help.

I look forward to a year of health, joy and success for you, your families, and for our entire ATC family.

Religious School News

Shalom and Happy and Healthy New Year to all!

Todah Rabbah! Thank you! Thank you to Deb Ron! Thanks to Deb, we now have fourteen children in our Religious School - seven in our new Gan ATC program and seven in grades three through eight.

We are very pleased to announce that Marilyn Rabinovitz will be teaching the Gan ATC class.

For information about this class for three, four, and five year olds, which meets one Sunday a month, please contact Deb Ron at family@atorah.org.

We are so glad that Faith Weiner will be teaching our first and second grade class and in addition, sharing the third graders with me.

I will be teaching third, fourth, sixth and eighth graders.

Lesley Bornstein will continue to help in so many ways. Thanks for being a vital part of our school.

Religious School will begin on Sunday, September 10th at 10:00 AM with our High Holiday Fair, with breakfast for our families, holiday crafts and games for the students.

Regular classes will meet beginning on September 11th.

Our students will be participating in our High Holiday Services. We are so proud of all they can do.

Our students will decorate the Sukkah, and eat lunch there with their families on Sunday, October 1st.

On Sunday, October 8th, we will celebrate Simchat Torah. Please watch for details.

This month, our focus will be on the High Holidays with our students, so they can understand why and how these special days are so important and how they are celebrated.

The students will be learning to read and write Hebrew. They will continue their prayer study, their Torah study, and increase their pride in our heritage. Other studies will include age appropriate education about Hebrew vocabulary, Jewish history, famous Jewish personalities, our values, Israel, and the Holocaust.

The students will again lead three Services this year- Kabbalat Shabbat, a Shabbat Service and their Commencement Service in June.

There will be a family event one Sunday a month that we hope our Gan ATC families will join.

Thanks to our parents for your support and help.

Of course, without the help, knowledge and support of Rabbi J, none of this would be possible.

Thanks to Bob Bornstein for everything he does for us and for ATC.

Please contact me with any questions or suggestions.

Please let us know of anyone who is looking for a Religious School for their child.

We are looking forward to Ben Steinberg becoming a Bar Mitzvah on November 11th. He will be amazing!

High Holy Day Guidelines

Please take a moment to review.

1. For security reasons, no one will be admitted into the shul unless they have received a ticket in advance. There will be security, ushers and executive board members to greet you and check tickets at the door.

Everyone will be required to show a personalized ticket upon entry.

2. **Entrance to the Sanctuary is not permitted** during those parts of the service when worshippers are standing (e.g., the Amidah, Kedushah, Shofar Blowing, Ark Openings), as well as during Torah readings, recitation of Haftarah, Rabbi's sermon and President's address. Anyone wishing to enter will be asked to stand just inside the door until a proper time can be found to take a seat.

No one will be prohibited from leaving. If the doorway becomes crowded, people will be asked to discretely find seats in the rear of the Sanctuary.

3. All men must wear kippot in the synagogue. Jewish men will be asked to wear a tallit. Women have the option to wear a tallit and/or kippah. Please note that synagogue tallitot will be in short supply. If you own a tallit, you are encouraged to bring it.

Please do not wear a tallit when using the bathrooms.

4. Ushers at the sanctuary doors will have a list of those people who are receiving honors. If you have an honor, please contact an usher so that s/he can direct you to the bimah at the proper time.
5. Please be considerate of those at prayer and keep any talking to a minimum
6. No food, drink, cameras, writing or recording implements, or cell phones are permitted in the sanctuary at any time. Pagers must be set to vibration mode and cell phones must be turned off.
7. ALL MEDICAL PERSONNEL, please inform an usher that you are present and where you will be sitting.
8. As always, seating is on a first come, first served basis. We ask everyone to please keep his or her voice down in the foyer adjacent to the sanctuary. When leaving the sanctuary, please do so immediately and quietly, as to not disrupt those members who care to enjoy the remainder of the service.

High Holy Day Guidelines

Parking

Parking is available in the synagogue lot on a very limited basis, and, as always, is first-come first-served.

Our parking lot attendants try to accommodate those individuals with special needs, however, once again, given the size of our lot, we ask those individuals to call our office should special arrangements need to be made.

Stoughton schools and the Stoughton District Court are both closed on Rosh Hashanah; therefore, you may park there on Saturday and Sunday. Additional parking will be available on McEvoy Circle (off Pearl Street). For Kol Nidre and evening Yom Kippur services ONLY, you may park at the courthouse and the Richard Wilkins (West) School after they have closed.

Parking will be available on Central Street in designated areas only. Watch for signs. Violators will be ticketed.

Parking is prohibited at CVS or Walgreens. If you park there, you do so at your own risk.

ATC's Garden to be named someday...

Back in 2016, an opportunity arose to convert the barren back area of the synagogue to a useful garden, possibly an outdoor sanctuary. A synagogue-wide effort came to be, and over the weeks that following we created the Garden to be named someday....

Now has a name!

On August 24, our "Garden to be Named Someday" will now be honored by the name of Paul Greenfield. Paul has devoted so many years to Ahavath Torah Congregation, both inside and out. Paul created and maintained much of the landscape around our building. To honor Paul, this plaque shown below will be installed in our garden, as a thank you for his years serving ATC. A ceremony was held for Paul and family, along with a luncheon.

Shabbat Under the Sea

June 23, 2023

Shabbat Under the Sea

We had a wonderfully successful night, as we sang in Shabbat with a themed young family service, Shabbat Under the Sea.

With 13 kids, and over 20 adults, we had a full house! A huge thank you to our volunteers: Bob and Lesley Bornstein, Bob and Diane Cohn, Steve Steinberg, Madeleine Lewis, Arthur Mallock, Rabbi J, and of course, the other members that joined for the event.

Please enjoy the pictures (on page 24), and feel free to share widely. If you'd like to volunteer in the future, please send me an email.

Looking forward to the next one!
